

The New Gazelle from Conway

A LIGHT PULLOVER, NOT A HEAVY SWEATER

Revolutionary in its conception, the new easy to use 'Pullover erection system', found in the Gazelle certainly takes the strain and effort out of camping.

You'll be amazed just how easy and speedily erecting your holiday home can be.

From the confines of the sporty looking trailer, the luxury Gazelle can be completely erected in a matter of seconds.

As you would expect from anything called a 'Gazelle' this new superbly designed trailer tent, from Conway, is certainly no slow-coach when found roaming through the glorious scenic countryside of Britain and Europe.

The 'Gazelle' – a luxury holiday home in a matter of seconds.

Handy sun-canopy – perfect for these hot summer days.

Matching full length awning – for additional interior space.

• HERE TODAY, THERE TOMORROW •

Back on the open road, you'll hardly notice you're towing anything, least of all a complete holiday home!

A triumph of Conway technology; the supreme manoeuvrability and low profile design makes the Gazelle the ideal tourer and 'get away from it all' trailer tent.

And, when on the move there is ample storage space for all your camping gear – sleeping bags, tables, chairs etc. plus a

handy trailer roof-rack for other items.

When completely raised the Gazelle opens into a sturdy 4-berth luxury trailer tent. With the features and fittings you'd expect from Conway, Britain's leading trailer tent manufacturer. Two double beds, with comfortable foam mattresses ensure a relaxing, untroubled night's sleep for all, and the cleverly designed interior means the mattresses can be simply converted into day seats.

• GAZELLE IN ACTION •

As an additional feature, the inner tent can be swiftly converted into a vinyl envelope encasing all mattresses and camping equipment – ensuring a dry pack even when your canvas is wet.

• CONWAY EFFICIENCY • • CONWAY RELIABILITY •

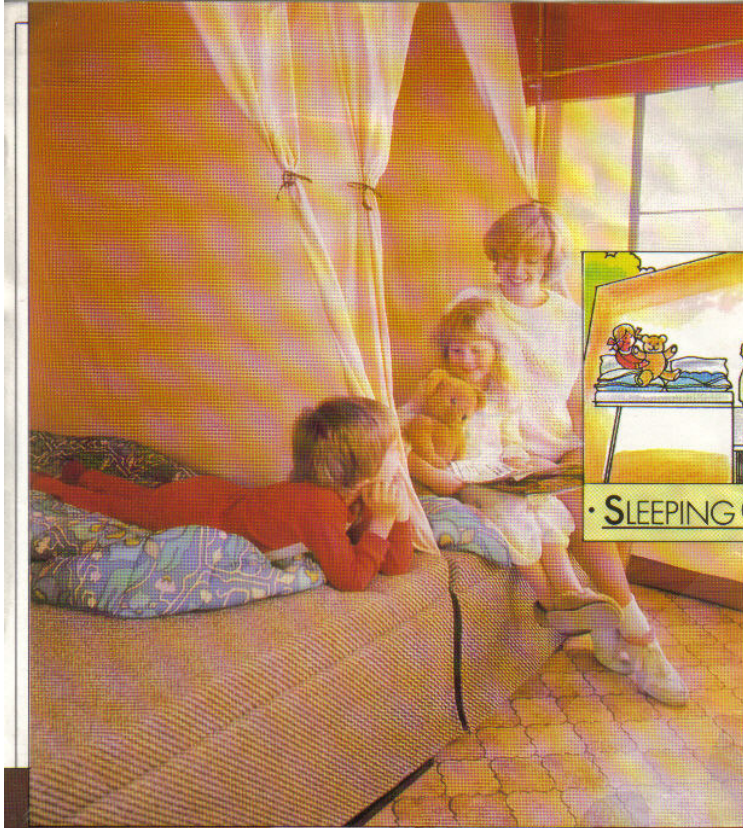

As with all trailer tents and campers in the Conway range, the new Gazelle offers unbeatable quality and superb engineering.

From the attractively designed natural russet and beige canvas to the super toughened galvanised chassis, the Gazelle is quality, through and through.

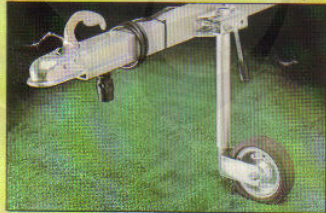

• SLEEPING OFF THE GROUND •

There are many optional extras available, including a matching full-length awning, sun-canopy, and a new Conway kitchen unit, complete with stainless steel sink and double burner and grill. The new kitchen unit is carried on the draw bar, making it ideally accessible for those impromptu road-side snacks en route, while being functional and totally reliable on site. If you're looking for the perfect family 'Tourer' you just can't beat the new Conway Gazelle – it's the natural selection.

• DETAILED GAZELLE ENGINEERING •

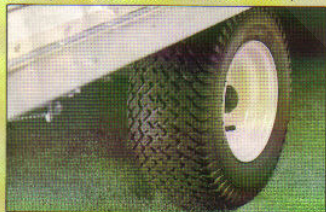

Down to the last detail the Gazelle is a superb functional unit. Standard features are:

Jockey wheel for easier manoeuvrability.

4 Wind-down corner steadies.

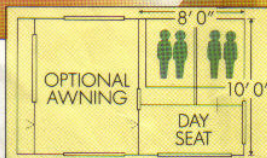

Special wide wheels and low profile tyres for safer road holdings.

Transit and storage cover.

Due to a process of ever-continuing product improvement, some details contained in this brochure may change. However, the information is correct at the time of going to press.
