FAR AND AWAY - CONWAY

Uniquely designed and superbly engineered, a Conway trailer tent offers you all the freedom, fun and sheer pleasure of 'camping' in the great outdoors, along with a luxury and comfort which only Britain's leading trailer tent manufacturers, Conway, can offer.

Throughout Europe, Conway are renowned for producing trailer tents of

the highest quality and for offering a standard of reliability, service and outstanding value which is second to none. A reputation we at Conway are understandably proud of.

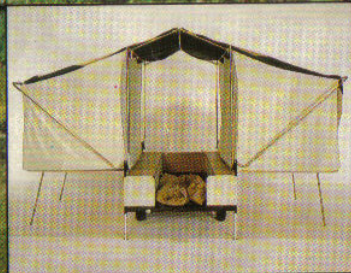

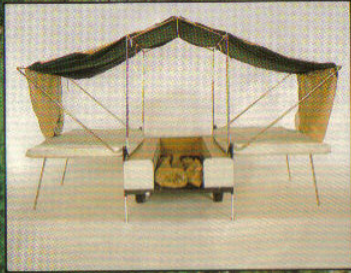

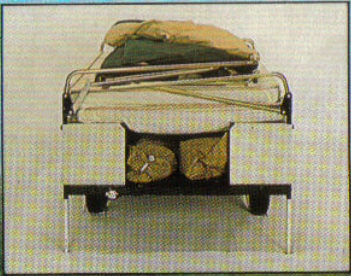

With one of the exceptional trailer tents from Conway, you can tour and camp in some of the most beautiful countryside throughout Britain and Europe.

And now thanks to a revolutionary folding system, which enables you to open or close the trailer in simple, easy movements and also prevents any wet outer canvas from contacting bedding and inner tents. From the confines of the light, compact trailer you can erect a superb home in no time at all and using the minimum effort.

Getaway to the great outdoors in luxury and comfort... Getaway - Conway.

**GETAWAY CONWAY -
TO THE GREAT OUTDOORS**

UP, UP AND AWAY CONWAY

The slimline design of the Conway trailer provides superb manoeuvrability, an asset well worth enjoying when driving through narrow country lanes.

Due to the trailers special low profile design which fits snugly behind your car there is all round mirror vision in addition to minimal wind resistance. This provides excellent fuel economy coupled with maximum road safety, something which cannot be said about towing the larger and often unmanageable type of trailer.

A.A. TESTED AND RECOMMENDED

In fuel consumption tests conducted independently by the A.A. and under scientifically controlled conditions, Conway Trailer Tents proved to be extremely economical to tow when in use.

Three categories of car were examined, each being put through the A.A.'s 'British driving' programme, which includes harsh braking, and extensive acceleration tests. The following results on fuel performance, when towing a Conway Trailer Tent were achieved, (allowing for weight factor);

Cortina 1600	a reduction of only 1 m.p.g.
Escort 1300	a reduction of only 1½ m.p.g.
Fiesta 1100	a reduction of only 1¾ m.p.g.

An excellent testimony, to illustrate the benefits of the unique towing qualities only associated with a Conway Trailer Tent.

COOKAWAY - CONWAY

The unique Conway kitchen, which is renowned for it's stability in use, has been expertly designed to be attached to the rear of the trailer and to allow easy access to its cooking facilities, without the need to unpack the rest of the trailer. This provides a marvellous opportunity to enjoy a roadside snack anytime and any place - a tasty little idea indeed!

COOKING CONWAY STYLE

The attractively designed kitchen unit, incorporates a stainless steel unit and drainer; a double burner stove with grill (containing a special low pressure safety system); storage space for pots and pans; a separate food compartment, in addition to drawers for cutlery and extras. And by popular demand there is even a sink-top chopping board!

PULLAWAY - CONWAY

All the kitchen features are presented within a compact unit design and attractively finished in easy teak, top quality material... And don't forget that added benefit of being able to cook and prepare food on the roadside without unpacking the trailer.

Conway gives you the great indoors... thanks to the exceptional Conway design. You'll be amazed at the incredible amount of inner space available when the tent is fully erect.

From a compact trailer the tent erects into a spacious home, with the special 'off the ground' double bedroom space and changing accommodation and the well fitted cooking area, entirely separate from the main living room.

Also there's no need to have your tent cluttered with bags, clothes and toys, as found in many frame tents, with Conway's excellent storage space you can easily 'stow-away' your entire camping gear easily accessible but out of sight.

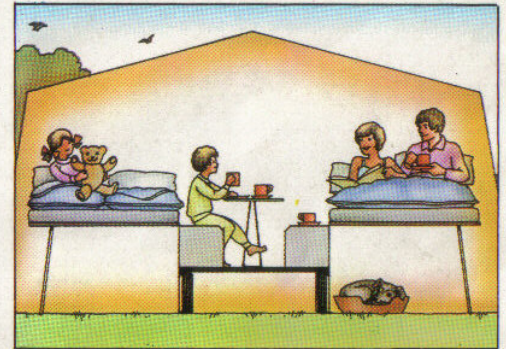

SLEEPING - CONWAY GOT IT OFF THE GROUND

Now you can not only experience all the benefits of the 'outdoor life' but also enjoy a good nights sleep as well!

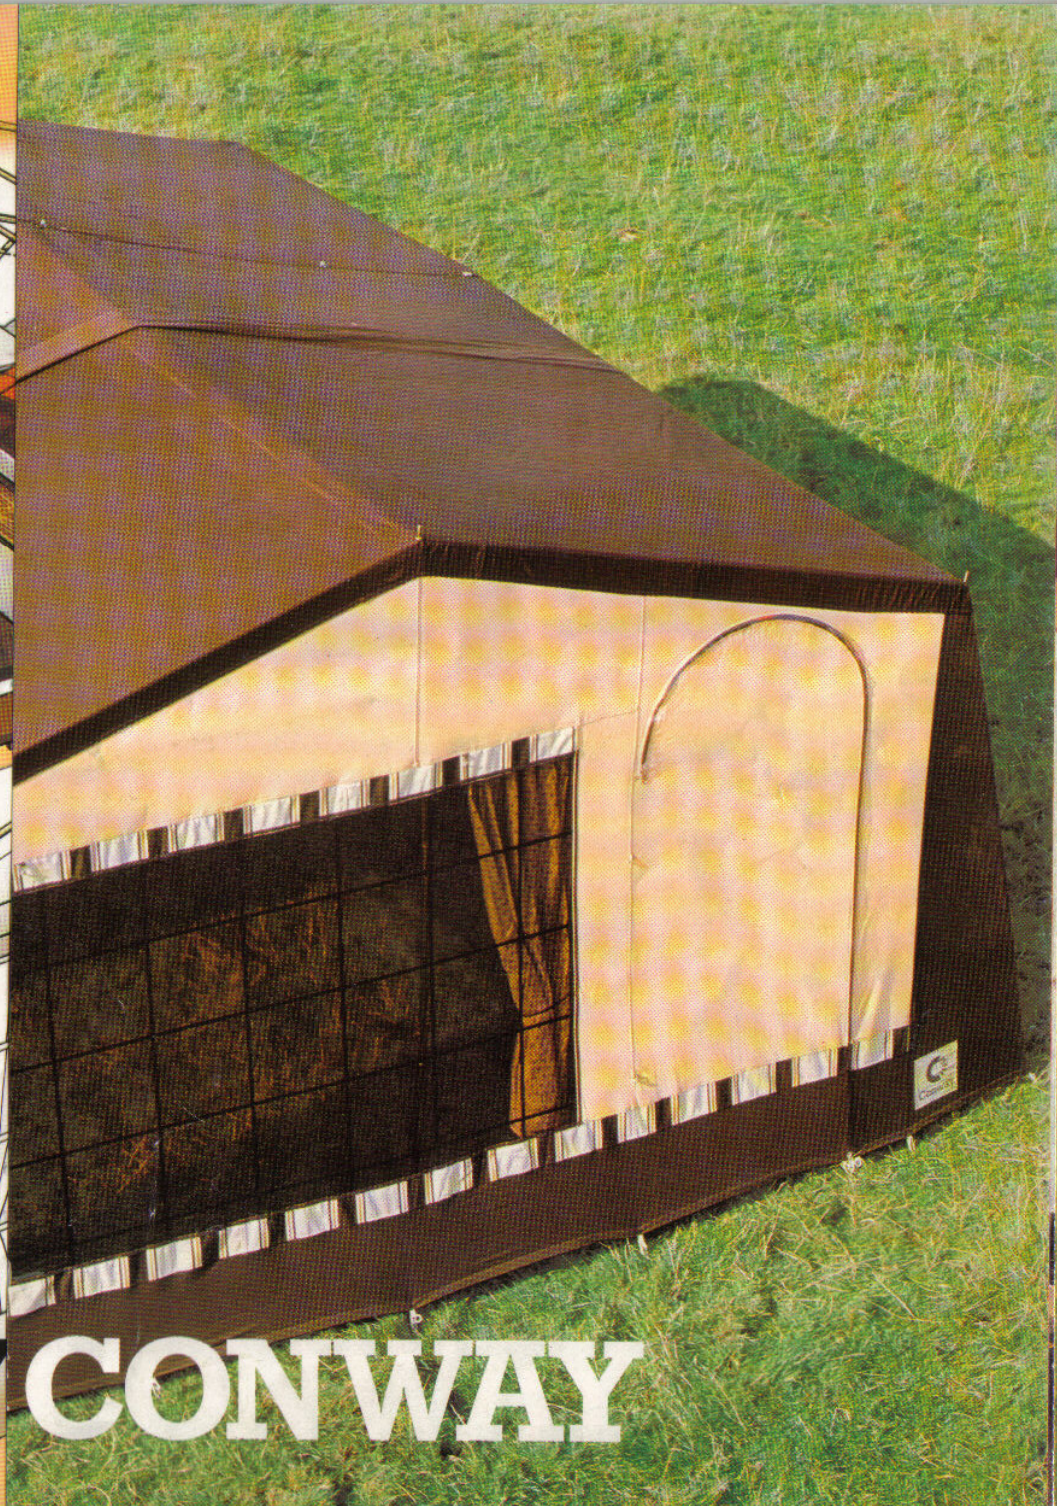

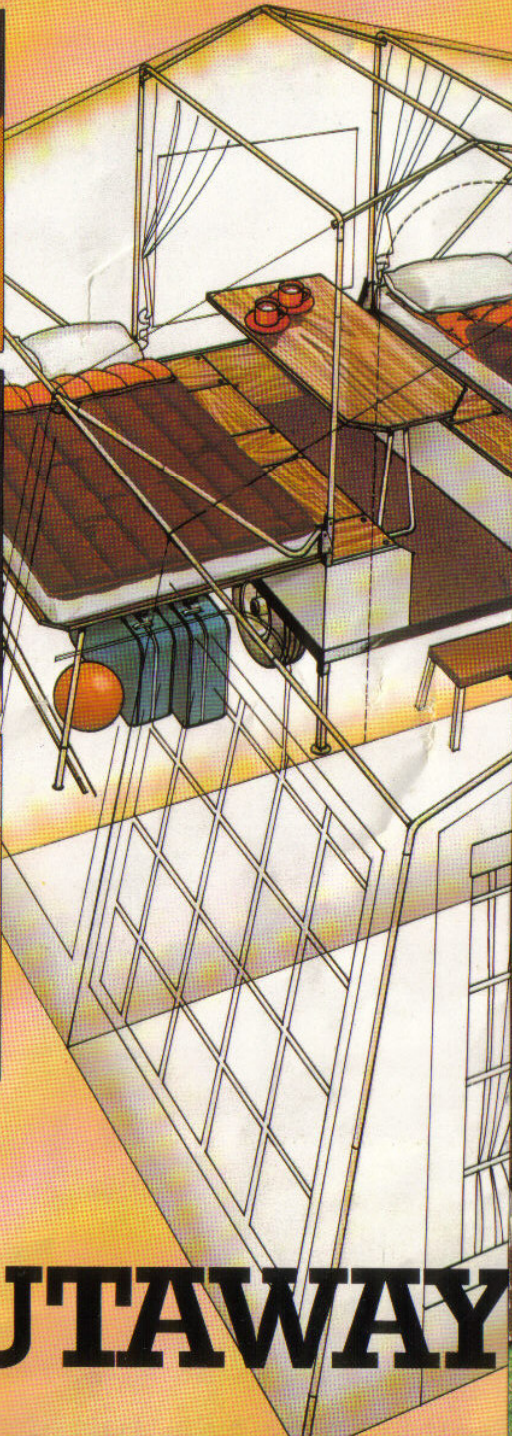

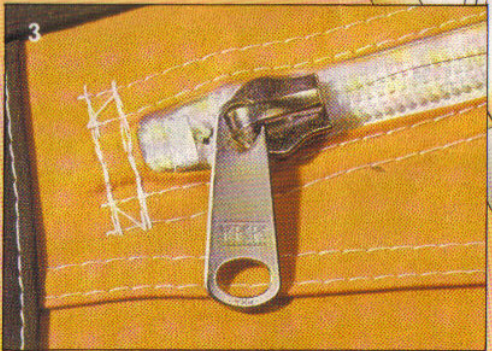

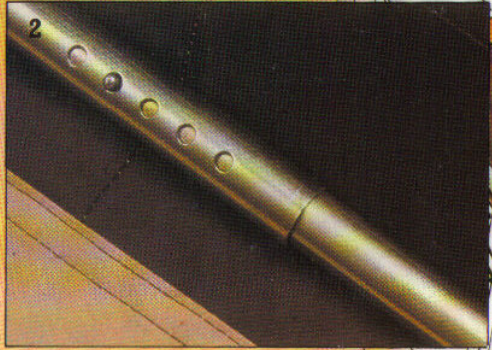

With Conway's superb 'off the ground' sleeping accommodation you'll never need to spend another uncomfortable night on the cold, hard ground.

Simply unfold the luxury high density foam mattresses and close-up the surrounding inner tent for a complete 'home from home' bedroom.

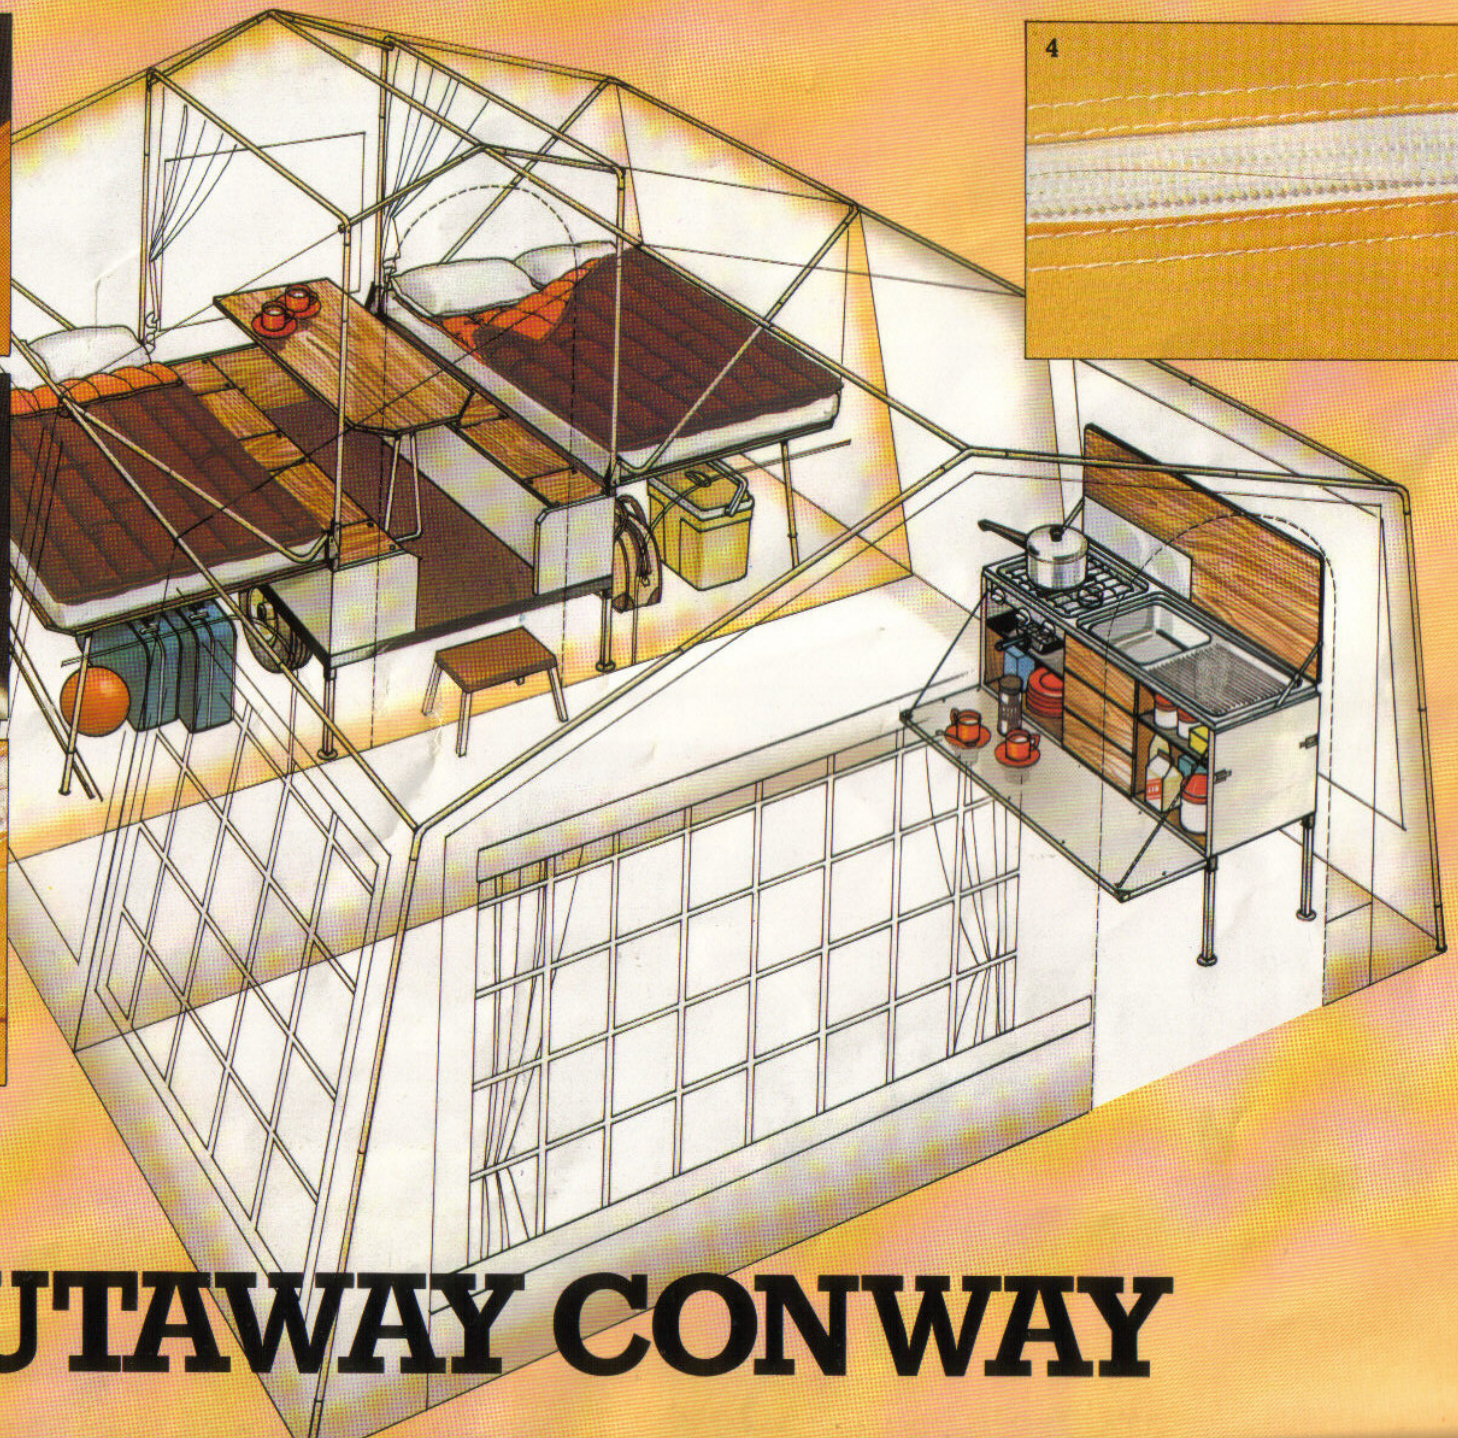

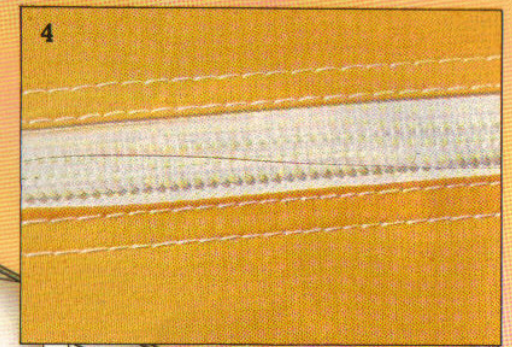

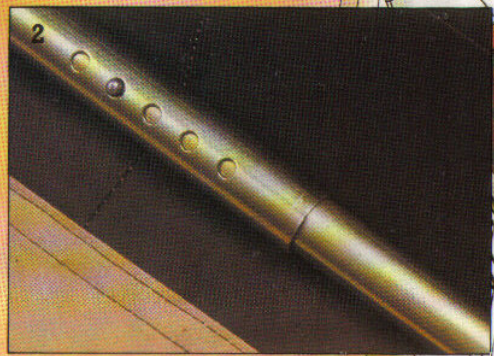

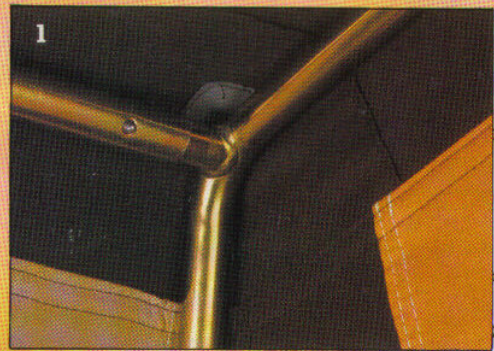

The cosy inner bedroom tent is completely private, even to the unwelcome insect, so you can really enjoy a relaxing night sleep. All thanks to Conway, the people who got camping off the ground.

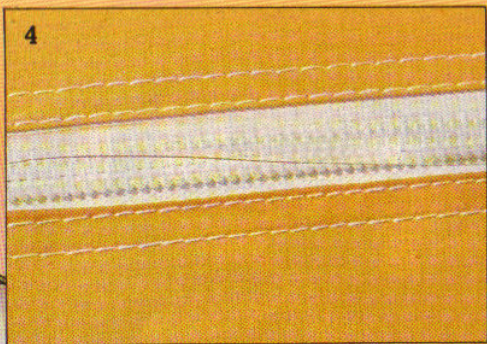

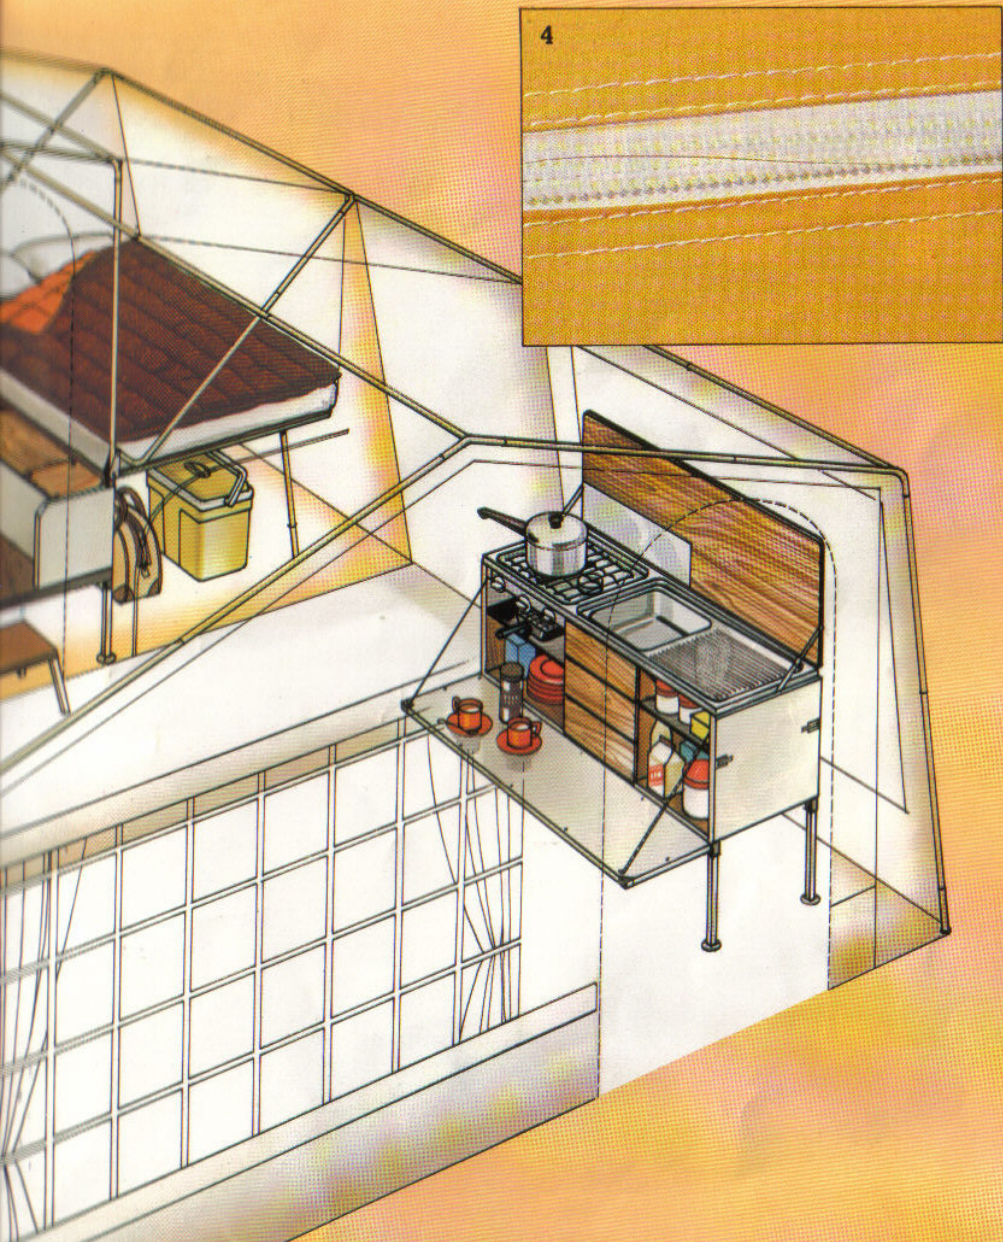

LIVE AWAY CONWAY

CUTAWAY CONWAY

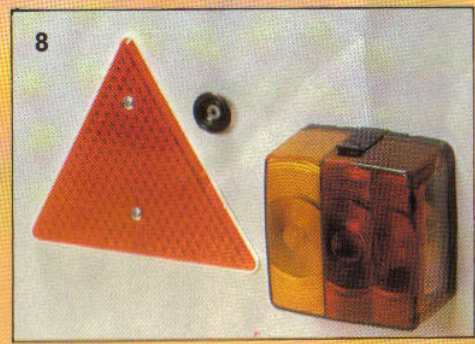

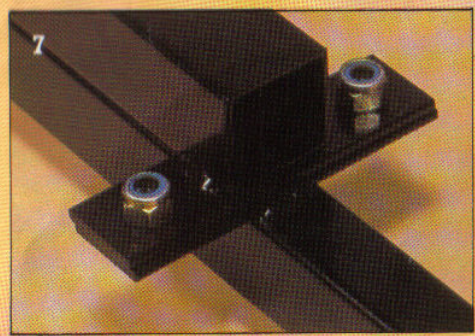

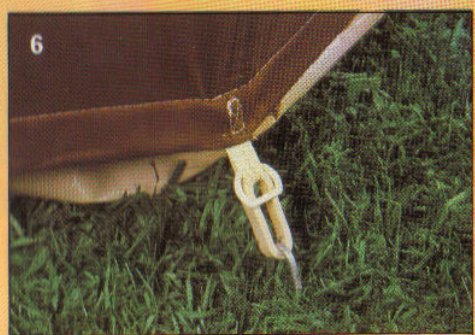

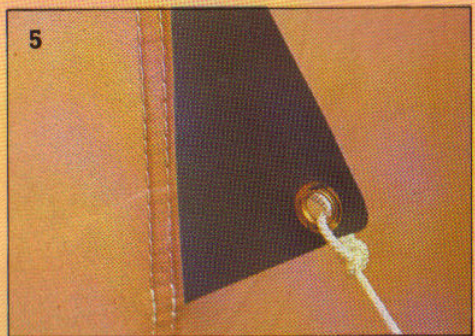

CUTAWAY CONWAY

British designed and engineered. Uniquely designed and expertly engineered, the Conway trailer tent range is the result of years of scientific and technological research which has produced tents of superb quality, making Conway the most highly respected name in trailer tent manufacture today. Rightly acknowledged for excellent styling, performance and outstanding after-sales service which cannot be bettered, here or overseas.

Only high quality, specialised components are used in the construction of a Conway trailer tent. Comprehensive tests are performed on every aspect of construction, from the reliability of the engineering to the intricate water-proof lock stitching of the tent.

All components incorporated into the excellent British designed tents, comply to E.E.C. specifications, resulting in the ultimate in trailer tent style, quality and unparalleled performance.

- 1 Zinc plated corner brackets welded for extra strength.
- 2 Adjustable tensioning poles zinc plated to prevent corrosion.
- 3 Heavy duty nylon zips.
- 4 Weather proofed seams lock stitched, with strong rot proof thread.
- 5 Additional guying points prevents wet canvas touching inner bedroom tents.
- 6 Heavy duty pegging point.
- 7 Removable trailer tow bar firmly secured with 4 self-locking nuts.
- 8 E.E.C. approved lighting, neatly designed rear-light cluster mounted on easy-clean vinyl.

CONWAY

The "Overnighter"

The "Weekender"

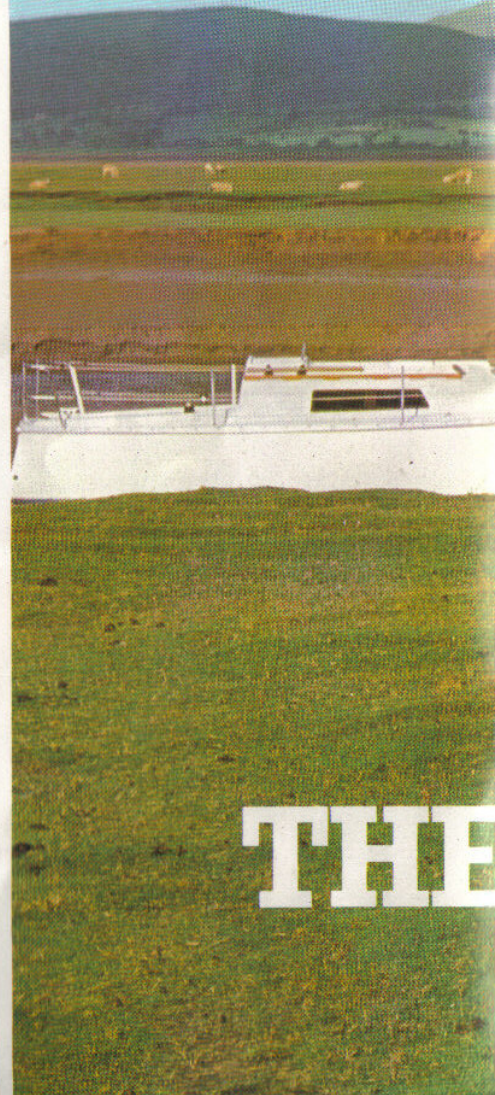

The "Holiday home"

The New Conway Corniche (Triple Trailer Tent).

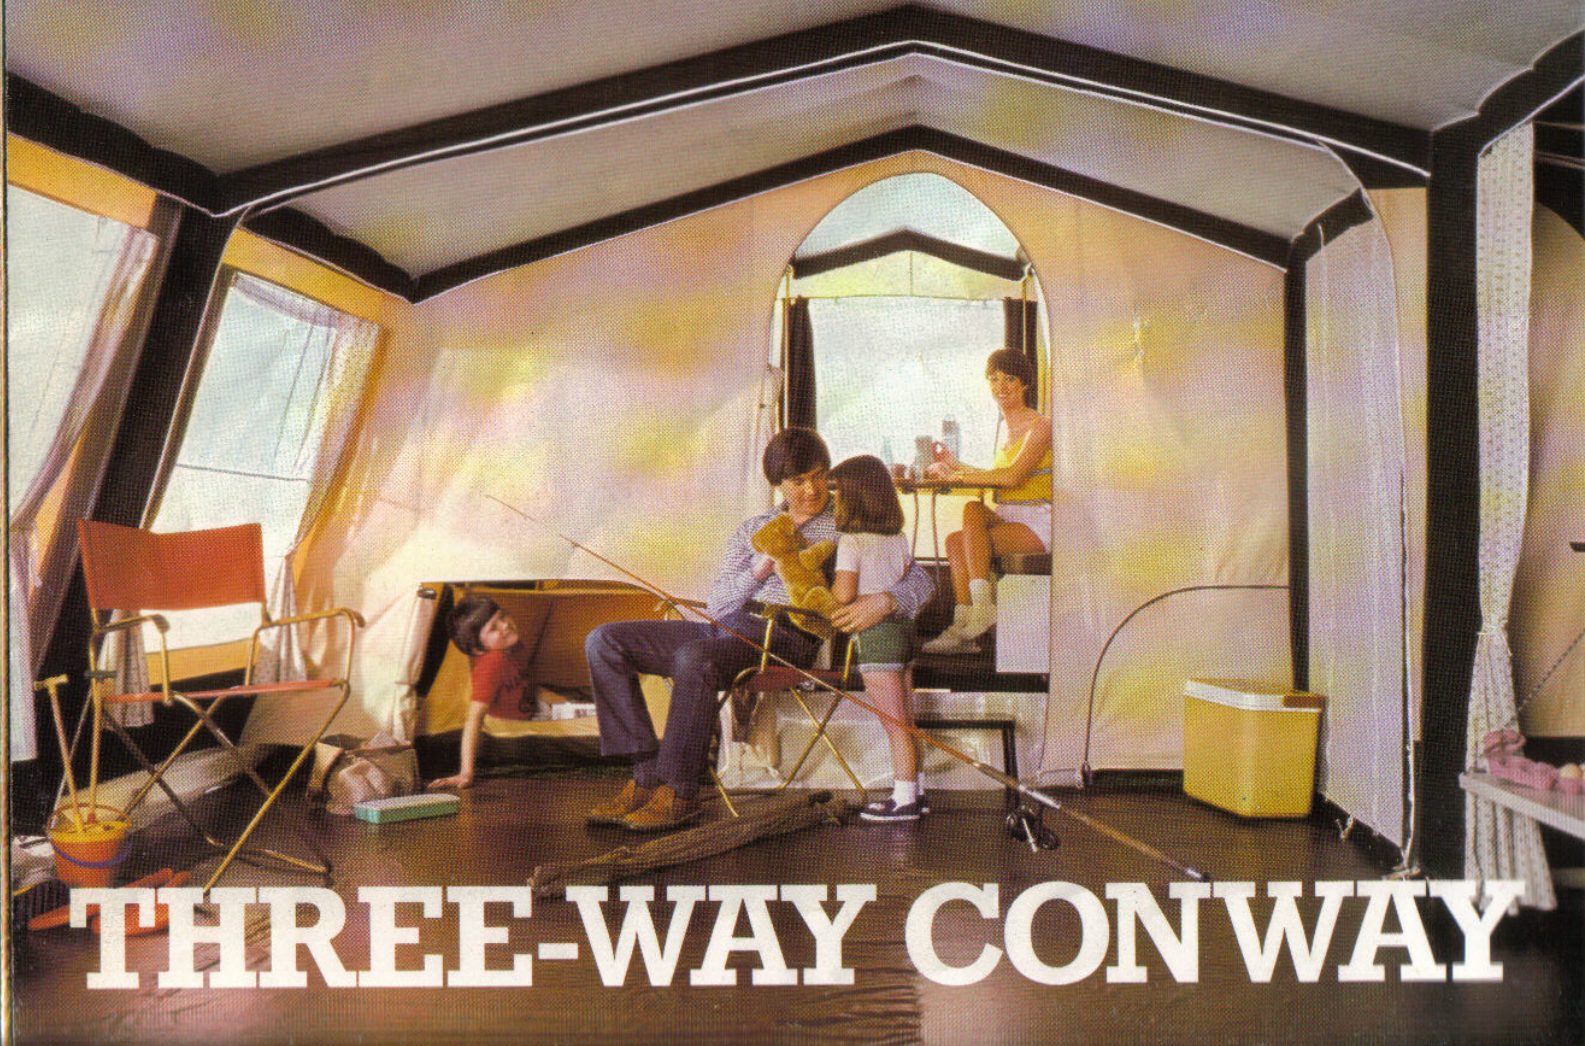

The ultimate in Conway style, luxury and comfort - that's the new Corniche. Being at the top of the Conway trailer tent range, the Corniche is no ordinary trailer tent. Incorporated in the versatile design is the facility to use the Corniche either as an 'Overnighter', a 'Weekender' or a complete 'Holiday Home'.

The Corniche offers incredible interior space and luxury fittings throughout, along with many extra features, offered

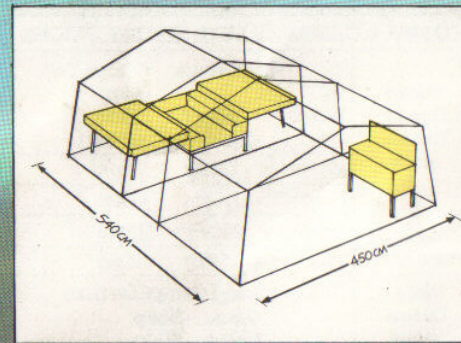

THE

THREE-WAY CONWAY

as standard. Included is an enclosed wardrobe compartment with clothes rail; a separate and ventilated toilet tent; discreet storage cupboards, which double up as comfortable dining seats on either side of the integral dining table; along with the special exterior 'zip-out' front panel which creates a huge shaded patio for those relaxing sunshine days.

The attention to detail and superb quality and construction of the Corniche makes this the most exciting trailer tent on the market today.

	Length	267cm (including tow bar)	310cm
	Width	125cm	125cm
	Height	100cm	100cm
Trailer Weight	Ex-works	220kg	270kg
	Max Gross	356kg	400kg
Tent Dimensions	Campa and Campa De Luxe 480cm Deep 400cm Wide		

'Head and shoulders above the competition in presentation and finish' said the July '82 'Which' Trailer Tent report, printed in Camping Magazine. The Conway Campa with that special, "Care and attention which has gone into the design . . ." typifying all that is good about Conway trailer tents.

Superbly engineered and constructed using only top quality materials, gives a guarantee of quality and durability which is not apparent with many trailer tents in this price range.

Available in a choice of two trailer bodies, the Campa and Campa de Luxe model come in an appealing colour combination of deep brown and ivory, perfectly complemented by the standard tinted windows and matching curtains. Both the Campa and Campa de Luxe

feature a zip-off extension for relaxed sleeping during casual overnight stops.

For extended stays the living quarters and canopy can be added, giving a vast 4 x 3 metre lounge area and if required the front panel can be rolled up, creating a large open air patio.

The Campa de Luxe, is covered by the same quality canvas as the Campa, but incorporates the added benefit of a more luxurious trailer, fitted storage cupboards and excellent Conway kitchen unit, providing an attractive mid-priced trailer tent of superb quality.

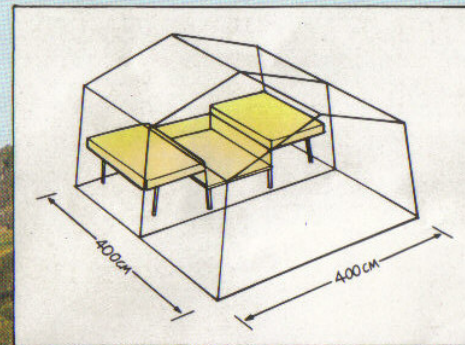

CONWAY CAMPA & CAMPA DE LUXE

Although at a budget price the Colt features as standard, luxury foam mattresses, high quality canvas, and of course Conway's revolutionary folding system.

The spacious living area can be further extended, thanks to the integral extension which offers an extra 4 x 2 metres of living space, complete with roof lining.

In addition there is 20 cu. ft. of storage space to stow-away all your camping equipment, in the trailer, even after the tent and frame has been folded away.

The inexpensive price and the quality of design, makes the Colt an ideal trailer tent for today's first time trailer tent camping family. This coming season, Conway also offer a De Luxe model, which includes side cupboards and the Conway kitchen, providing that extra touch of luxury to the standard Colt design.

COLT & COLT DE LUXE SPECIFICATIONS			
Trailer Overall Dimensions	Length	267cm (including tow bar)	
	Width	125cm	
	Height	100cm	
Trailer Weight		Colt	Colt de Luxe
	Ex-works	215kg	265kg
	Max Gross	356kg	400kg
Tent Dimensions	Colt and Colt De Luxe 400cm x 400cm		

CONWAY COLT & COLT DE LUXE

Designed with a two-some in mind, the Conway Calypso is attractively styled in a colourful rich brown and orange canvas, perfectly complemented by the cosy inner tent bedroom and attractive matching curtain. With the option of an under-bed tent (see accessories) you can have a further sleeping accommodation ideal for a couple of youngsters.

The Calypso, provides exceptional value for money as does the Calypso XL, which offers additional advantages to the basic Calypso design, for that extra degree of luxury and comfort.

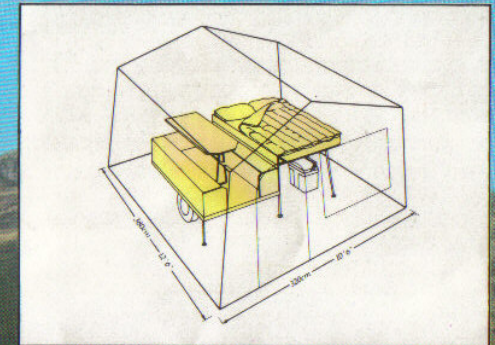

Both models include an integral extension which provides a spacious living area and now a special sewn-in dividing wall gives you additional convenience and comfort.

In addition the XL also offers an attractive dining table and matching teak finished bench seats along with storage, padded back rest and extension roof lining for additional comfort.

All these features are optional extras which can be added to the basic Calypso design, at your leisure.

CALYPSO & CALYPSO XL SPECIFICATIONS

Free-standing kitchen for Calypso, Colt and Campa (cooker extra)

Some of the accessories available for your added enjoyment. The back-up service you can only get from Conway – the leaders in trailer tents

When you invest in a Conway trailer tent you get so much more. Remember, Conways have a higher re-sale value than ordinary trailer tents. And, looked after properly, they will give years of service and still hold their value. You can always add to your Conway trailer tent from our extensive stock of spares and accessories.

1. Set-up Instruction Booklet

Each new trailer is delivered with the illustrated instruction booklet (in English!!). Always follow the set-up and fold-down procedure for easy and trouble-free use.

2. Conway Care: The Handbook

Conway Care provides guidance on protection and maintenance of your unit. How to handle your own maintenance and what to do if you need advice. There are over 100 authorised Conway dealers nationwide – fully trained with specialist knowledge and experience at your service.

3. Accessories and parts Service

A general assembly and parts drawing is supplied. Each part is easy to identify and numbered to make ordering simple. Spares and accessories can easily be ordered through your dealer or by direct mail order from Conway, where extensive stocks are held.

4. Guarantee

Conway stand full square behind their trailer tents. Conway owners receive a written guarantee giving assurance that any faulty part will be repaired or replaced.

5. Insurance

For a few pounds per year, you can insure your Conway trailer tent. Full details are provided in the Handbook. As part of the Conway policy of continuous design and development improvements, new features or product changes will be introduced when our research and testing programmes are completed.

The information in this brochure is correct at the time of going to press.
