Get away from it all – away from the crush of the crowd, the noise of the city and the nine to five routine – get away to Conway Country.

With a Conway Trailer Tent you've got the freedom to choose, to go whenever you please, wherever your fancy takes you, at home or abroad.

Take in the sights – the rolling hills and deep green valleys, secluded coves and sandy beaches, golden sunsets and ancient ruins – or simply settle down and relax in some quite backwater, far from the madding crowd.

Easy to erect and fold away, Conway's Trailers are ideal for overnight stops, weekend breaks or extended holidays.

And with Conway's reputation for high quality and reliable service you can tour anywhere with confidence. Sample the great outdoors in luxury and comfort... Get away with Conway.

# BRILLIANT DESIGN, SUPERB ENGINEERING AND CONWAY QUALITY THROUGHOUT.

Conway Trailer Tents are British designed and constructed to the most exacting standards. Each component is designed for maximum durability and performance.

Conway select only the best materials available and use a highly skilled labour force with years of experience in engineering. You can, therefore, be sure of the quality, reliability and overall value for money of a Conway Trailer Tent.

Conway offer an outstanding after sales service through a nationwide network of dealers, giving you ready access to spare parts and accessories.

Conway Trailer Tents have been tested and approved by the Department of Transport and conform to all current E.E.C. transport regulations.

Conway are the only trailer tents available that have satisfied D.O.T. testing.

# FIVE REASONS THAT TOGETHER MAKE CONWAY EUROPE'S NO.1.

## EASY TO TOW, SIMPLE TO STOW.

Conway Trailer Tents are compact and lightweight, making them easy to manoeuvre on the road and simple to store at home.

The removable drawbar and axle make for easy storage.

When the Trailer is not in use you can store it on its side in your garage, leaving plenty of room for the car, by means of specially designed storage brackets.

## AERODYNAMICALLY EFFICIENT.

The external dimensions of Conway's Trailers are less than the average saloon.

Which means that, there is very little wind resistance.

In real terms this amounts to a significant saving in fuel costs.

The low profile design also allows an unrestricted rear view, taking the strain out of overtaking and reversing.

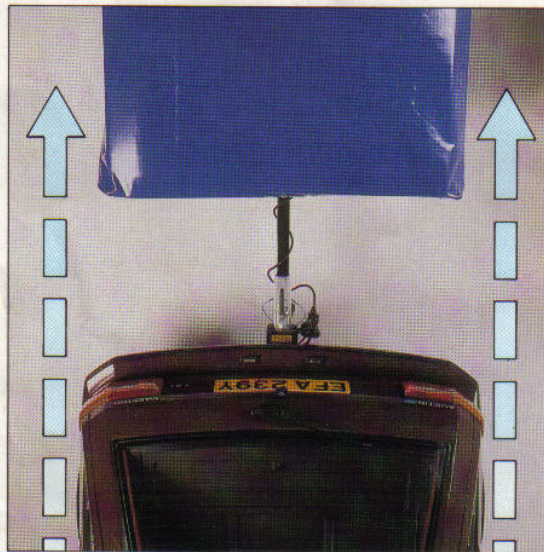

## EN-ROUTE STORAGE

There's plenty of en-route storage in the Trailer 'well' and lockers, for sleeping bags, table and chairs and suitcases.

This ensures that you can travel comfortably in the car's uncluttered interior.

## FOLD-AWAY CONWAY STYLE.

The unique folding arrangement of Conway Trailer Tents means you never need worry about damp mattresses. Unlike other

trailer tents, which sandwich damp canvas between bedding and trailer interior.

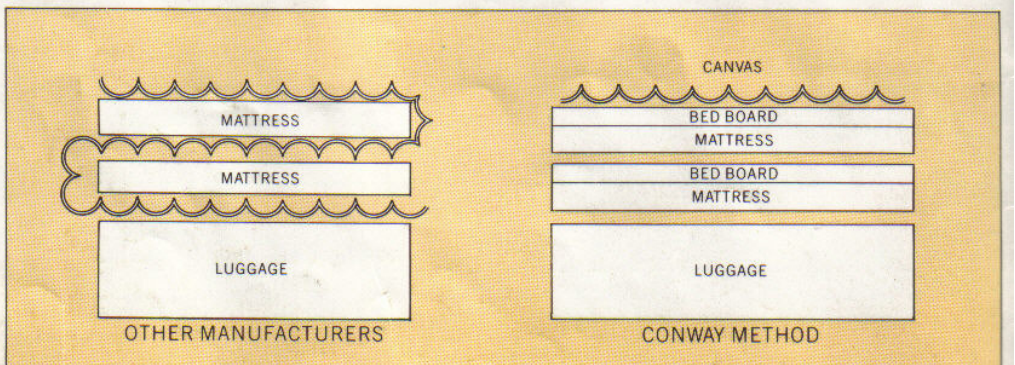

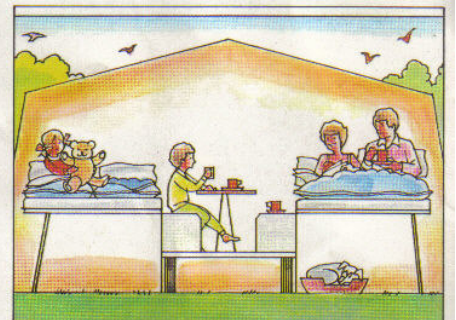

The Conway system allows the canvas to be folded independently of the beds.

## OFF THE GROUND SLEEPING.

Now you can forget all about sleeping on damp, hard ground.

With Conway you sleep three feet above the ground, safe and comfortable.

The underberth space may be used as extra sleeping berths or for storing luggage.

**JAYCO LASER & TARDIS**

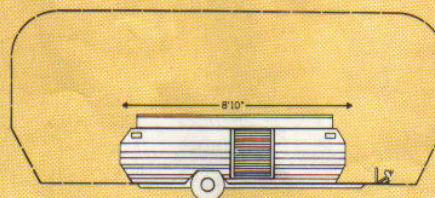

· CONWAY ·  
**· JAYCO LASER & TARDIS ·**

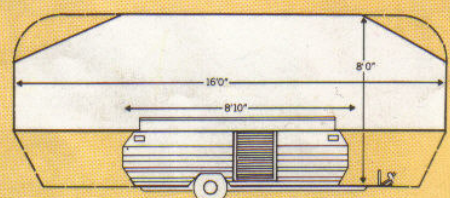

Probably the ultimate in camping! The 1985 Laser and Tardis! The result of four years experience and development.

The result – a superb, sleek low-profile trailer, opening to a luxurious on-site home.

Standard features for 1985 include, spare wheel and underslung spare wheel carrier, large gas-bottle box.

On the road – sleek and low for easy, fuel-saving towing.

On site – opens up to the equivalent of a full 16 ft caravan.

The low profile trailer means easier, more economical towing – and no storage problems at home! Once on site, the transformation from trailer to holiday home takes only minutes: simply crank a simple winch, slide out the beds, elasticate the sides, and fit four poles inside. No pegging – no lifting – even a child could do it – so simple, yet advanced: is the winch system we offer a full 3-year guarantee.

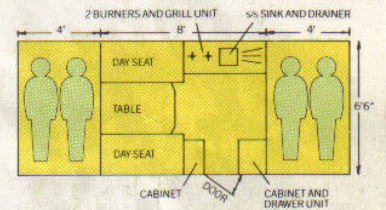

Inside both the Tardis and Laser, we have colour co-ordinated upholstery and curtains, and feature stainless steel double burner and grill with combination sink and drainer. Both models sleep up to six in comfort and feature plenty of drawer and cupboard space. In the extra length of the Tardis, in addition to extra storage space, is a wardrobe and vanity unit.

For additional space you can add an optional awning, which also features, as an extra, a zip-in toilet and wardrobe extension.

Other extras available include a fridge and heater.
