Trailer tents '88

# MORE THAN A WAY OF LIFE...

With a Conway trailer tent you can escape to another world. A pleasant, carefree world of open skies and open choice. A chance to break away and enjoy the splendour of the great outdoors. Spring, Summer and Autumn; seaside or countryside, the decision is yours.

You'll certainly be the envy of your friends – envied for your freedom, enjoyment and good taste. Even en-route you can make use of your Conway trailer tent with the easily accessible kitchen unit for those spontaneous stops.

The Conway carry rack enables you to take your hobby with you, whether cycling, sailing or windsurfing.

# Superb Design

Tasteful and sympathetic design is one of the contributory factors making Conway the first name in trailer tent manufacture. By combining traditional craftsmanship with the latest fashion ideas, and at the same time maintaining an inscrutable eye for detail, we are always one step ahead of our competitors. We believe that your trailer tent should be a pleasure to live in, *and* to look at!

# Precise Engineering

Ever since we first specialised in the manufacture of trailer tents and folding campers, it has been generally acknowledged (even by our competitors!) that in this area of production we stand alone. By testing every component, using only the very best materials and applying true craftsmanship, we seek always to bring you engineering perfection.

# BY CARING MORE

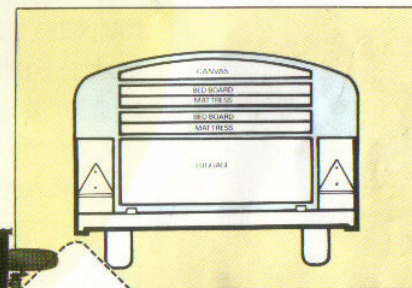

## Better facilities and service

After sales service is something we believe is as important as your initial investment. Therefore we have ensured that ours is as comprehensive and caring as possible. All Conway dealers attend product training courses, and as Conway has the biggest nationwide network of dealers, you're never far from expert, friendly help and advice. All our products are fully guaranteed, and full operational instructions are provided in the owner handbook.

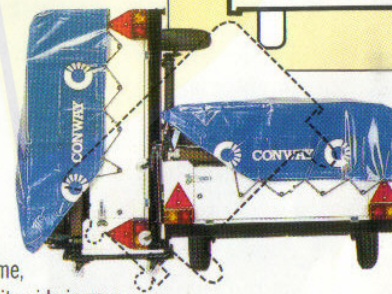

## Safer and easier towing

Conway trailer tents are now safer and easier to tow than ever. Lower and narrower than the average car, they are perfectly stable, and offer the driver completely unrestricted rear viewing. They are so sleek that the effect on your fuel consumption is negligible. The introduction this year of 145 x 10 Radial Ply Tyres means improved road holding and performance. When you return home, your trailer tent can be stored on its side in your garage, leaving plenty of room for your car, it's as easy as that!

# REALLY GOING PLACES

## C A M A R G U E

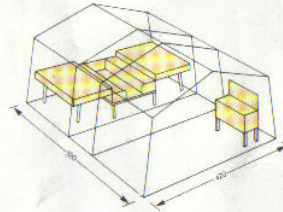

**P**resenting the ultimate in trailer tents. With its two-tone grey canvas, co-ordinating yellow piping, zips, tapes and curtains, the Camargue is a real show stopper. It maintains the unique triple use principle designed to meet any camper's requirements. A zip on extension and centre panel enables the Camargue to be used for overnight stops, lazy weekends or longer luxurious holidays. With full luxurious specification including deluxe kitchen, toilet and wardrobe compartments, the Camargue is a real home from home.

The Camargue features as standard, integral lockers with cushions, zipped access to both underbed areas, front and side doors and roll up facility for front and side walls. An optional extra sun canopy is also available.

# C O N T I K I

**H**ere's an exciting start for 1988 – the ever-popular Contiki in its new stunning colour scheme.

Beautifully coordinated inside and out in blue and grey, it completes the elegant look to our range. Available in three models; Contiki, Contiki L and Contiki De Luxe, with a choice of three bodies, we're sure we have a trailer tent that's right for you.

All models feature, as standard, two double mattress beds, a deep integral extension with front and side panoramic windows and a versatile front panel which enables you to open one or both doors or roll up the whole front.

The addition of the optional sun canopy means whichever model you choose, you'll be turning heads on the campsite this year.

# C O R N I C H E

**U**nveiled last year in a completely new form, this trailer tent has met with great success. Available in L and De Luxe models, it boasts beautiful two tone grey canvas with coordinating red zips, piping, tapes and curtains which must make this model one of the most attractive trailer tents ever to reach the market.

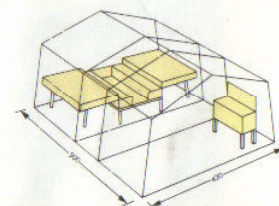

The newly designed 3 metre deep zip-on extension offers three large panoramic windows and 2 doors with roll up side and front panels offering ample accommodation for 4 to 6 people.

The sleeping area comprises two matted double beds, with the option of an under bedroom tent. An optional extra sun canopy is designed for added shade and protection for the unit.
