

A LITTLE EXTRA

Whichever Conway folding camper you choose from The Burgundy Collection, you'll find a level of luxury and comfort that is impossible to match.

Almost certainly though, you will want to add a few little extras to personalise it in your own way.

Below is a comprehensive range of genuine Conway accessories available to help make your Conway camping even more luxurious.

All these are available from your local Conway Dealer and covered by the Conway Guarantee.

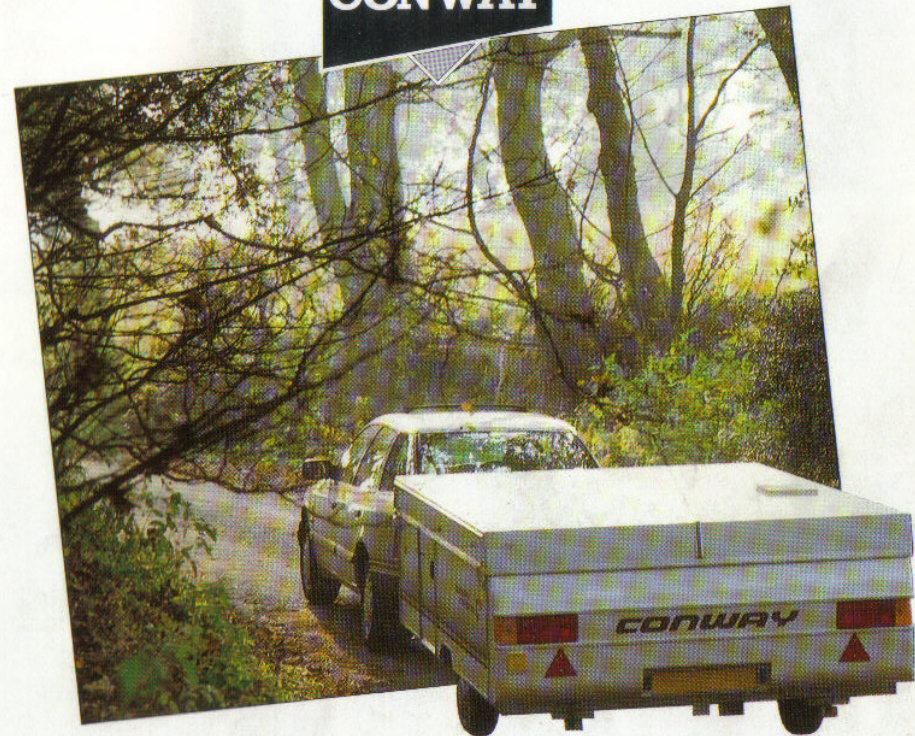

- Optional Accessories
- Standard Features
- Not Available

Folding Campers '88

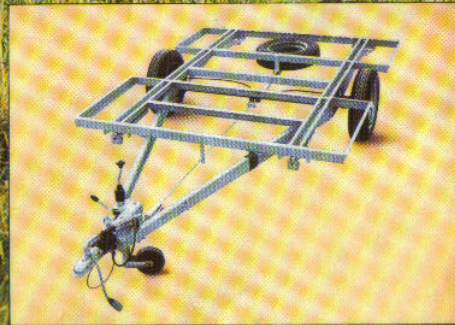

WHERE QUALITY REALLY COUNTS

The Conway philosophy is to match design with quality at every stage. This process starts at the drawing board with design flair, intelligent planning and continuous innovation.

Testing every component, we use only the very best materials and the finest craftsmanship to ensure that you, the customer, receive the best product and service we can provide.

Conway control starts at the very source, running through to long term life testing of all our products, both on the road and on site.

It's your guarantee of quality and value. An investment that carries the Conway hallmark.

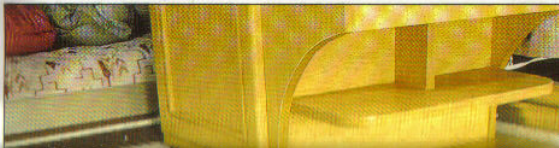

A *STYLISH NEW LOOK* FOR *FOLDING CAMPERS*

Attractive, stylish and sophisticated colours, innovative design changes and practical product features combine to form the new range of folding campers from Conway.

Known as The Burgundy Collection, these new folding campers blend sophisticated colour schemes with impressive and radically new design features to provide unsurpassed standards of comfort and performance.

The Burgundy Collection from Conway will gain admiration and turn heads wherever they are seen – whether gliding effortlessly along the road or standing proud on the campsite of your choice.

Cardinal Interior

Co-ordinated Colours

At the top of the range is the brand new Cardinal available in two models, the Cardinal and the elegant, upmarket Cardinal Clubman.

Both these hard top models incorporate the stylish introduction of burgundy and grey colours throughout the units including coordinated carpets, curtains and pelmets. Whilst innovative design changes to the chassis, body and furniture make these new models very different from their predecessors. As befits the top of the range, the Cardinal Clubman has that extra touch of class with its own unique interior fabrics and design.

Completing the family collection are the Cruiser and Challenger models. These too have incorporated both the colours and design changes, making this stunning line up of folding campers supremely elegant in looks and finish.

Naturally all the models feature burgundy canvas, complemented with grey, all made from 300 gm 100% cotton, whilst the canvas topped Cruiser and Challenger come complete with burgundy transit covers.

External Design Features

The Cardinal chassis is a brand new concept, designed and manufactured exclusively by Conway. This full perimeter hot dipped galvanised steel chassis is a result of an intensive design programme supported by many miles of actual on road testing. In fact the existing Cruiser and Challenger models now incorporate this chassis design too.

Mounted on this new style chassis both Cardinal models have completely new bodies with a GRP aerodynamically moulded front cowl with gas bottle and storage compartment.

At the back of the unit is a smart GRP moulded tail panel that accommodates wrap around rear light clusters and inset number plate.

In addition the entrance door on the Cardinal and Cruiser has been repositioned to the nearside of the unit.

Cruiser

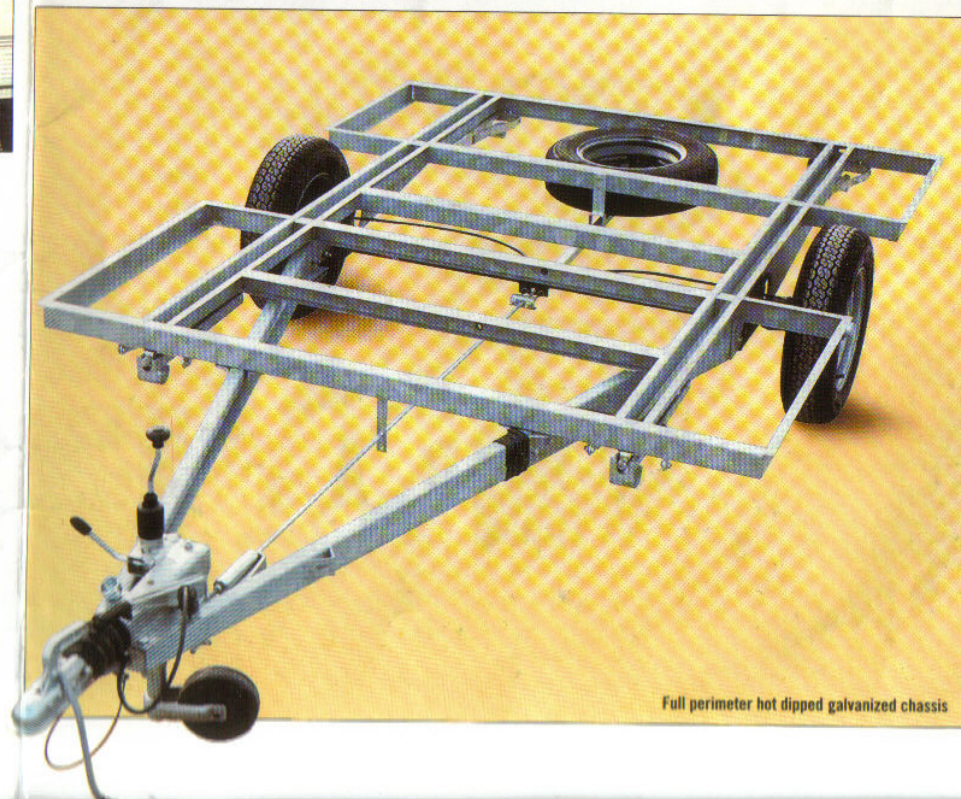

Challenger

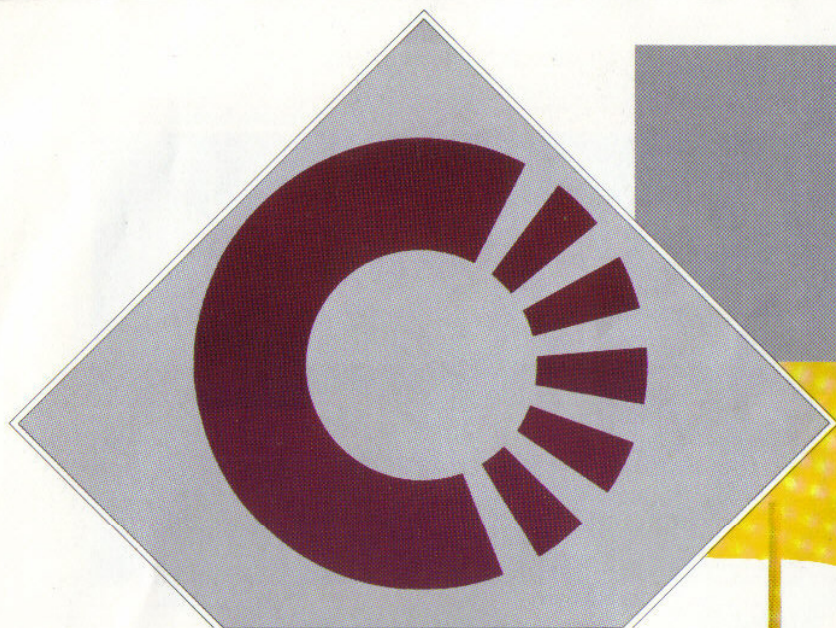

Internal Design Features

Internally all Conway folding campers are radically different. Furniture is now manufactured in upmarket Windsor Oak. The Cardinal and Cruiser featuring modern moulded and profile doors and fronts, with laminated heat resistant tables and worksurfaces, also with solid moulded timber surrounds.

Stylish internal finishes with elegant upholstery give facilities that campers would normally only expect at home. The Cardinal Clubman even has a refrigerator as standard.

CONWAY

WHERE ELEGANCE

Camping comfort has reached new peaks with Conway's Burgundy Collection. The quality and elegance of this stunning new line up is matched only by the practical benefits provided. Incredibly spacious accommodation, luxurious interiors and positive performance ensure you travel and holiday in style with Conway.

The excitement of planning and touring places you have always wanted to visit – being able to come and go as you please; your Conway folding camper gives you this opportunity to take a holiday any time for years to come. The choice is yours . . .

ANCE MEETS STYLE

C H A L L E N G E R

A fast erecting system makes the Challenger ideal for short stops with no pegging required and comes complete with full roof lining and inner tent.

The high standard of interior features include fitted carpet, bench seating, cupboard units, hinge over kitchen unit with stainless steel bowl and drainer, together with double burner and grill.

Once again this unit now includes the new burgundy and grey colour scheme with upholstery that matches that of both the Cardinal and Cruiser folding campers, whilst the burgundy transit cover gives style on the road.

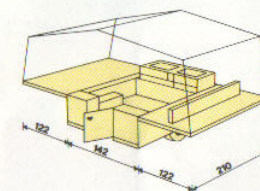

An Underload Tent, zip on Sun Canopy and full Awning are just some of the Conway accessories designed to suit your individual requirements.

The Challenger can be easily stowed on it's side by using the optional wheeled side storage brackets.

C A R D I N A L

The introduction of the brand new Conway Cardinal folding camper is not just a new name for a new product, for the Cardinal has both new features and designs that are synonymous with Conway's innovative reputation. Designed around the all new full perimeter chassis the Cardinal is available in two models, standard and the top of the range, Cardinal Clubman. With an aerodynamic body for economical towing, the Cardinal exterior is attractive oyster grey stucco pre-painted panelling made from aluminium and featuring stylish pre-painted coach line designs in grey and burgundy.

The Cardinal incorporates the existing wind up mechanism developed by Conway, however the winch is located at the rear of the unit instead of at the front, to accommodate the new front end cowl. An additional ventilation panel has been added to the door side, giving ventilation on all four sides. Internally full rear width seating within the Cardinal is standard allowing a larger seating capacity to entertain friends and new acquaintances. The furniture has been completely redesigned in Windsor Oak featuring profile doors and fronts with laminated heat resistant tables and worksurfaces. A large wardrobe, slide out plastic coated wire basket and slide out worksurface all create a practical yet stylish internal finish. Upholstery seating is in a hard wearing woven fabric in attractive checkline burgundy and grey with matching carpet, curtains and pelmets.

Cardinal Clubman

At the top of the range is the Cardinal Clubman which bears all the new features of the Cardinal, enhanced with even more luxury to make it the most prestigious model available from Conway. The Cardinal Clubman has its own unique upholstery in attractive velour, with matching accessories. Fitted as standard is a three way refrigerator operated by gas. A complete mains electric system is also fitted as standard with an earth leakage circuit breaker, distribution and charging unit, allowing alternative mains electric supply for the fridge as well as two 13 amp sockets and 12v distribution to the water pump and lighting. Inner tents are standard as is the unique Conway all steel lockable security box, floor mounted and ideal for storage of passports, travellers cheques and all valuables.

Challenger, featuring sun canopy and underfloor tent

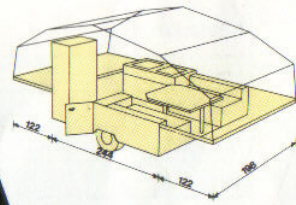

Underfloor heater optional for all models

C R U I S E R

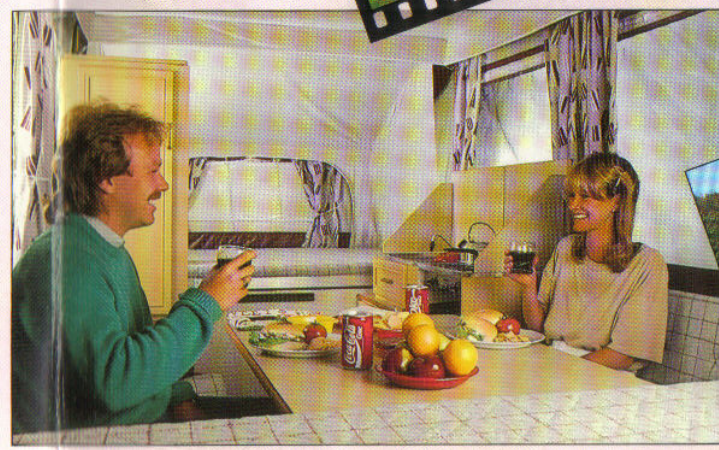

This year the Cruiser incorporates many of the features of the Cardinal in its construction. For instance the door is now on the nearside and the chassis is the unique full perimeter steel design. Internally the Cruiser features identical furniture and worksurfaces to the Cardinal with superb Windsor Oak panelling throughout. A wardrobe is now fitted as standard giving additional storage space. With the introduction of the burgundy and grey canvas the Cruiser is a highly attractive, quick to erect folding camper giving surprisingly spacious accommodation. On the road a coordinated burgundy transit cover complements the whole unit.
