Standard Equipment

Jockey Wheel Spare Wheel Lockers Locker Cushion Backrest Awning Roof Liner Kitchen Unit

Optional Extras

Side Annexe Side Inner Tent Underbed Tent Side Storage Brackets Roof Rack To meet the growing demand for a top quality, high specification two berth trailer tent, Conway have introduced the Capri Deluxe.

Available in the popular Burgundy and Grey proofed cotton, trimmed with Petrol Blue, this stylish two berth can be easily erected without the awning for that touring overnight stop.

This Deluxe Trailer unit is built for comfort with a host of standard features, integral storage lockers, bench cushion and padded backrest, double mattress with separate inner tent and roof liner, side and rear curtained ventilated picture windows and stable door entrance. (There is also the facility to fit an optional underbed inner tent for extra accommodation).

The standard zip-on 3.20 x 2.20 metre awning complete with roof liner features a side ventilated kitchen window. A front stub canopy protects the stable door entrance and curtained picture window; the whole front can be rolled up.

A unique feature in the awning is the zip-out side panel which allows an optional side annexe to be zipped on, creating extra storage space, or fit the optional inner tent with its sewn in groundsheet for the occasional visitors.

Conway's versatile and well proven kitchen, which can be used en route, is standard along with the fitted jockey wheel and underslung spare wheel.

Such is the versatility of the Capri that this two berth can quickly and easily accommodate extra campers; so for the overnight stop or the long lazy holiday, the Capri is the ideal choice.
