# Cardinal and Cardinal Clubman

The Cardinal is available in two models, the Cardinal and the top of the range Cardinal Clubman.

Both models have an aerodynamic body for economic towing, the exterior is in an attractive oyster finish and features stylish green coach lines to complement the attractive green and beige canvas.

Standard on both models: spacious full rear width seating dinette, large comfortable mattresses covered with an attractive floral scotchguard poly/cotton printed fabric, with matching pelmet and co-ordinating curtains. The furniture is styled in Windsor Oak with profiled doors and drawers, heat resistant worktops, large wardrobe, ample underseat storage and generous cupboard space.

In addition the Cardinal Clubman features as standard, a 3-way operational fridge, mains electrics, inner tents and the Conway Security Box.

TRAILER FOLDED	Cardinal Clubman	Cardinal

Hitch weight	41 kg	47 kg

# Cruiser

The Cruiser incorporates many of the features of the Cardinal in its construction. For instance the door is on the nearside and the chassis is the unique full perimeter steel design.

Internally the Cruiser features identical furniture and work surfaces to the Cardinal with superb Windsor Oak panelling throughout. A wardrobe is fitted as standard giving additional storage space.

With the burgundy and grey canvas, the Cruiser is a highly attractive, quick to erect, non-pegging folding camper, giving surprisingly spacious accommodation with the option of a full awning or sun canopy to complete the outfit.

On the road a co-ordinated burgundy transit cover complements the whole unit. New for 1990 is the 3-way operational refrigerator as standard equipment.

## TRAILER FOLDED

Optional awning width	350 cm
Optional awning depth	200 cm

## TRAILER WEIGHTS

Ex works	480 kg
Carry capacity	270 kg
Maximum gross	750 kg
Hitch weight	38 kg

# Challenger

A fast erecting system makes the Challenger ideal for short stops with no pegging required. The high standard of interior features include fitted carpet, bench seating, cupboard units and hinge over kitchen.

The burgundy and grey canvas is of the same quality as the Conway Cruiser and comes complete with roof lining and inner tent. An underbed tent, zip-on sun canopy and full awning are just some of the accessories designed to suit your requirements.

The Challenger can be easily towed by a small car and stowed on its side by using the optional wheeled side storage brackets.

Standard equipment for 1990 is the refrigerator box, fitted to the tow bar that will accept any make of top opening refrigerator. This box can also be used for gas bottle storage or general storage.
