It is twenty three years since the first Conway Trailer Tent rolled off the production line, and since that day thousands of proud Conway owners have been enjoying the fun, freedom and flexibility that comes free with every Conway.

Freedom of being able to come and go as you please, whether you are staying at a site close to home or exploring the far-flung shores of the Mediterranean. Flexibility in being free to change your mind if you wish to move on and pitch in pastures new. Or simply to get away for weekend breaks, or even a week in the Spring as well as the fortnight in high Summer.

Then there's the best bit, the fun of going camping. Maybe its the feeling of being closer to nature, and enjoying the healthy outdoor life with all that fresh air, or the camaraderie and friendship that seems to develop amongst campers. Or just being away from all the hurly-burly of routine and not being bound by the clock for mealtimes, or anytimes for that matter.

Conway know all about the pleasures of camping and it shows in our products. New and innovative designs incorporate all the little things that make good camping even better. And to ensure the pleasure and enjoyment goes on year after year every Conway product is built with quality and durability in mind.

Better canvas, better fittings, better accessories, better designs, just ask any Conway owner and they'll tell you. There's no better way to get away.

Canterbury

When you look at the new Canterbury, Conway's finest trailer tent to date, its easy to see why people who are serious about their camping choose Conway.

In its classic, rich royal blue and grey livery, with red, blue and gold striping it looks every bit as regal as its name suggests. Deserving of its position as the flagship of the Conway fleet.

Designed to meet every camping need on Conway's unique triple-use principle, Canterbury is quickly erected for an overnight stop or as a weekender, but fully erected it becomes a luxurious holiday home from home. Fit the optional sun canopy, side walls and fridge box and you have a complete unit for the most discerning camper.

The 320cm awning, complete with roof lining, toilet and wardrobe compartments is split by zips in 1 metre and 2.20 metre sections. Either section of the awning can be zipped to the cabin for weekend use. It includes a panoramic side window and zip-out front panel.

The optional sun canopy is also zipped and can be attached to the awning or the cabin. Optional side walls for the sun canopy are also available.

Both double inner bed tents are zipped and fully ventilated, and have a generous bed size of 200cm x 142cm when used with the matching zipped locker cushions.

As with every Conway there is ample storage space and an attractive easy-clean vinyl floor covering to complement the cabin interior. Canterbury's luxurious specification includes, spare wheel and jockey wheel as standard.

FEATURES

- Split section zipped awning
- Roof lining
- Ventilated toilet compartment with storage pockets
- Wardrobe compartment with storage pockets
- Ventilated kitchen window
- Dual entrance doors
- Roll up side wall

SPECIFICATIONS

Overall length	369cm
Body length	260cm
Body width	125cm
Trailer height	105cm
Ex works weight	325kg
Carry capacity	100kg
Gross weight	425kg

MAIN PICTURE: Canterbury in all its glory, featuring zip-out front awning panel, optional sun canopy and side wall.

TOP: The optional sun canopy can be fitted to the awning, or zipped to the front of the main cabin as an overnigher.

ABOVE LEFT: The zip-out front panel has been rolled back halfway to create a larger entrance. Note the panoramic side window.

ABOVE RIGHT: Canterbury's livery really takes effect when the unit is all zipped up.

TOWING SHOT: Canterbury with matching transit cover, shown here with optional auto-reverse brakes.

Cambridge

A completely new model for 1992, Cambridge is the ideal trailer tent for family camping. Tastefully finished in Lincoln green and grey livery, with matching zips and haricot patterned curtains, Cambridge is available with or without kitchen depending on your preference.

Cambridge incorporates many of the tried and tested features developed by Conway over years of quality manufacturing. Like all Conways it is easily erected, easily towed and easy to live with. Whether it's a weekend break for two or the annual family holiday, the Cambridge will accommodate all your needs beautifully.

A 300cm x 420cm wide zip-on awning complete with ventilated kitchen window and full side roll-up facility comes as standard with the new Cambridge. As does the separate roof lining with integral toilet or wardrobe compartment and handy storage pockets.

The full zip-out front panel offers two doors, half and half doors or the whole section can be removed.

Both fully enclosed and zipped inner bedrooms are ventilated, giving a bed size of 200cm x 142cm, utilising the colour co-ordinated zipped locker cushions.

All in all, Cambridge epitomises Conway's reputation for quality and style, and is sure to be a winner amongst dedicated campers.

MAIN PICTURE: The optional sun canopy can either be fitted to the awning, (shown here) with the zip-out front panel removed. Or it can be attached to the cabin canvas for that overnight stop.

TOP: The versatility of the removable front wall, is demonstrated here showing one half rolled back.

ABOVE LEFT AND RIGHT: The blue and green striping across the front wall and the colour co-ordinated zips, edging and tapes blend perfectly with Lincoln green and grey canvas. As seen in both of these pictures with both doors fully open and fully closed.

TOWING SHOT: Even the transit cover is co-ordinated to match the Cambridge livery.

Ascot

The new Conway Ascot is available in two models, the Ascot DL including kitchen, and the Ascot L without kitchen. Both models are finished in attractive emerald green and grey canvas with matching trim and curtains for the fashion conscious young family.

Whichever model you choose you will find an array of features, each one designed to make your holiday as enjoyable as it can possibly be. The Ascot DL is ideal for long distance touring where frequent rest stops are required, easy access to the kitchen unit will soon have you refreshed and on your way. Once on site both the DL and L models will provide you with all the comforts of home, offering a level of camping luxury no other manufacturer can match.

Ascot comes complete with its own integral awning with ventilated kitchen window. Panoramic front and side curtained windows provide splendid visibility and give the Ascot a light and airy feel, whilst the versatile front wall allows one or both doors to be opened, or the whole front can be rolled up out of the way. The roof lining is pelmeted in matching emerald green and red trim.

The fully enclosed, zipped inner bedrooms are ventilated and have a generous bed size of 200cm x 142cm utilising the zipped locker cushions which are finished in a co-ordinated fabric. Ample storage space is provided in lockers beneath the seat cushions whilst easy clean vinyl floor covering completes the attractive and practical cabin area.

MAIN PICTURE: What is nicer than having breakfast al fresco on a warm sunny morning? The new Ascot is shown with one door open and one door in the stable door position.

TOP: The versatility of the front wall completely rolled up, comes into its own when the optional sun canopy is added.

ABOVE LEFT: When you need to be zipped up, cosy and warm and protected from the elements, you'll appreciate the quality and attention to detail that goes into every Conway, and a neater unit would be hard to find.

ABOVE RIGHT: Ascot showing both doors fully open.

TOWING SHOT: The new Ascot ready for the open road in its matching green transit cover:

Calypso

Built for comfort, easy to erect and with a host of standard features, Calypso has become the first choice for many campers. Finished in burgundy and grey, Calypso boasts the same high quality of canvas and stitching that has become the hallmark of every Conway.

Although the Calypso has been specifically designed as a luxury two berth, the old adage "two's company, three's a crowd" doesn't apply here. An optional zip-on annexe can provide extra storage space or extra sleeping accommodation when required, so you can still enjoy your break without cramping your style.

Included is a zip-on awning complete with roof lining and a zip-out side window panel which allows the optional side annexe to be added, creating extra storage space or an additional bedroom for relatives or friends.

Also standard is Conway's famed kitchen unit. Cleverly designed for use en-route, without the need to unpack, when an impromptu pit-stop or picnic is called for.

And, if you want to keep your vegetables crisp, a slide-out support to fit a fridge storage box is built into the chassis, (which incidentally is fully painted with galvanised tow bar).

The front wall of the Calypso can be completely rolled up out of the way for those warm sunny days or nights when you want to feel closer to mother nature.

FEATURES

- Storage lockers
- Backrest
- Large double mattress
- Zipped, two-way, ventilated inner tent
- Roof lining
- Ventilated kitchen window
- Kitchen unit
- Zipped awning
- Zip-out panoramic side window
- Locker cushions
- Vinyl floor covering
- Fridge storage box support bracket
- Spare wheel

SPECIFICATIONS

Overall length	369cm
Body length	260cm
Body width	125cm
Trailer height	105cm
Ex works weight	275kg
Carry capacity	150kg
Gross weight	425kg

MAIN PICTURE: Calypso fully erected featuring the zip-out window panel, half opened for extra ventilation whilst still providing that degree of privacy. (Note the entrance in the stable door position).

TOP: The optional zip-on side annexe being used as an additional bedroom for grandchildren.

ABOVE LEFT: Spacious Calypso interior featuring the roll-up front wall.

ABOVE RIGHT: Calypso fully erected with entrance door rolled back. Front and side Panoramic windows.

TOWING SHOT: The Calypso all packed up and ready for the off. The kitchen unit which forms the rear of the trailer incorporates the rear light clusters and is designed for easy access en-route.

Cardinal

The Cardinal is available in two models, the Cardinal and the top of the range Cardinal Clubman. Both offer easily erected comfortable and stylish accommodation for up to six people.

Each model has the aerodynamic body for economic towing, which is finished in oyster, featuring stylish green coach lines complementing the attractive green and beige canvas.

Standard fittings in both models include: spacious full rear width seating dinette, large comfortable mattresses covered with an attractive hardwearing chenille upholstery fabric and complimentary pelmet and curtains. The furniture is styled in Windsor oak with profiled drawers and doors, heat resistant work tops and table, large wardrobe, ample underseat storage and generous cupboard space.

In addition, the Cardinal Clubman features as standard a 3-way operational fridge, mains and 12 volt electrics, inner tents and the Conway Security Box.

FEATURES

- Low profile aerodynamic body
- Unique wind up erecting system
- Lockable insulated hard top
- Galvanised full perimeter chassis
- Auto reverse braking system
- Wind down corner steadies
- Underslung spare wheel
- Twin wall rigid body construction
- Integral gas bottle/storage compartment
- Easy slide out beds
- Hinge down rigid exterior door
- Wardrobe, kitchen unit, table, dinette seating
- Ample storage, electric water pump, mains electrics
- Security safe, fluorescent lights
- 3-way operational refrigerator
- 300gm classic 100% cotton canvas
- Attractive hardwearing chenille upholstery

Cruiser

This luxurious six berth folding camper incorporates many of the features of the Cardinal – full perimeter galvanised steel chassis, body finished in oyster, neat green coachlines and matching green transit cover.

The easily erected non-pegging unit has slide out double beds, which automatically lifts the cabin frame. The stylish green/beige canvas, trimmed with red, houses many features normally reserved for caravans.

The spacious accommodation has fitted as standard, a full kitchen unit with dinette, spacious storage lockers, cupboards and wardrobe panelled in elegant Windsor oak, a 3-way fridge, inner tents and ample ventilation. Top quality mattresses and upholstery in matching colours ensure luxury camping with this model.

The Cruiser can be extended with the optional zip on full awning or sun canopy and extra storage with the under bed storage tent.

FEATURES

- Automatic erecting system non pegging
- Slide out beds
- Low towing height
- Galvanised full perimeter chassis
- Auto reverse brakes
- Wind down corner steadies
- Underslung spare wheel
- Twin wall insulated body
- Gas bottle storage box
- Wardrobe, kitchen unit, dinette seating
- Table, ample storage space
- Electric water pump
- 3-way operational refrigerator
- Sleeps 6
- Fully enclosed inner tents and roof liner
- Internally opened window ventilation
- 300gm classic 100% cotton canvas

TOWING SHOT: The Cruiser body is compact and stylish when packed up for towing.

Challenger

A fast erecting system makes the Challenger a must for touring with no pegging required. The unit can be easily towed by a small car and stowed on its side by using the optional wheeled side storage bracket.

The attractive two tone brown canvas comes complete with two inner tents, roof lining and double mattresses. One of the mattresses converts easily into a bench seat. Interior fittings include; carpet, lockers, cupboard unit, water pump and kitchen unit. Top quality upholstery and Windsor oak panelling provides luxury camping normally reserved for the larger models.

The ideal 2-4 berth unit for that overnight stop or simply zip on the awning for that longer holiday.

Fitted as standard to the fully galvanised chassis is a fridge storage box to house any top opening fridge, or it can be used for gas bottle storage.

Optional accessories designed to enhance this versatile unit are: under bed tent, zip-on awning and sun canopy.

FEATURES

- Low towing height
- Wheels under for safe towing
- 5ft wide trailer
- Easy side storage
- Galvanised full perimeter chassis
- Auto reverse brakes
- Wind down corner steadies
- Underslung spare wheel
- Twin walled PVC coated galvanised steel body
- Gas bottle/fridge box
- Kitchen unit permanently connected
- Bench seating, table, storage units
- Waterproof mattress protection
- Fully enclosed inner tents
- 300gm 100% classic cotton canvas
- Quick erecting system
- Non pegging

COME AND JOIN US

Buying a Conway is merely the beginning of what will be a long relationship between you, the customer and Conway. Conway owners are only limited by their imagination and once you have tasted the flavour of “the great outdoors,” then automatically, a whole new world unfolds in front of you.

Sharing these experiences with others is all part of the fun of camping and the pleasures that this camaraderie provides is the reason why Conway have firmly supported the development of the Conway Owners Club, an exciting venture started in 1988 by extremely enthusiastic Conway users.

From their original seed of an idea, prompted by the enjoyment they were getting from their Conway, has grown the Conway Owners Club, a well equipped and highly organised club with a growing membership from all over the country and from all walks of life.

Today this club goes from strength to strength with a busy programme of truly varied activities taking place all year round.

Tours of the Conway factory at Appley Bridge are organised whilst the impressive sight of hundreds of Conways at any of the many rallies held by the club, both in the UK and on the continent, are an unforgettable experience indeed.

Complementing this active programme, the Conway Owners Club offers many other exciting reasons for joining. Discounts on product insurance, quarterly news magazines and regular updates on product information are just part of the many services open to members of the club.

Last year, the club even produced its own site guide – produced entirely by members’ recommendations.

The emphasis at the Conway Owners Club is very much placed on the family atmosphere, choosing sites with good facilities and with plenty of opportunities to keep all the family fully occupied.

Significantly, the spirit of involvement fostered by the Conway Owners Club has played a key role in the product development programme at Conway’s factory. Practical suggestions and tips from members have been incorporated into many of the new products seen within this brochure. Proof indeed that at Conway we listen.

To find out more about membership contact,
Conway Owners Club, 354 Leyland Road,
Penwortham, Preston, Lancashire, PR1 9SU.
