

The First
Choice for
Campers

Time was, when going camping meant long sunny days. When camp-sites in farm fields hosted family games that went on long into the evening, until finally we crept into our beds, tired, yet excited about all the things we were going to do the following day.

Time is the very essence of camping. Time to relax and to savour the good things in life, away from the pressures of modern day living. Time spent together as a family, with the freedom and choice to do as you please.

Conway families have captured the fun, freedom and flexibility of camping for over twenty five years. Living at their own pace they have enjoyed short stays in out of the way places, or exploring the countryside from a touring base.

More and more families are investing in their leisure time with Conway. Rewarding themselves with holidays and short breaks throughout the season, and finding greater fulfilment than simply taking the annual two week package.

Designed by campers for campers, Conway products are easy to use, whether you are camping for the first time or a seasoned camper.

Built on trailers engineered by Conway (who incidentally are one of Britain's foremost trailer manufacturers), they are easy to tow. Designed to help you reach your destination safely, we make use of the best available running gear and larger than average wheels to give a superior ride and longer tyre life.

On site, Conway's unique erecting system, enables quick and easy erecting of the main cabin, complete with its built in sleeping compartments. Ideal for an overnight stop on longer journeys, or with the spacious awning erected, as a base camp for your main holiday.

Conway awnings and main cabins, as well as being attractively designed, are extremely practical.

Waterproof and rot proof, the mudwalls extend to 18" above ground level, giving good protection for the occasional summer downpour. Conway's canvas is the best that can be found.

Known as Classic Weave, it is woven from "long strand" cotton which gives the finished fabric greater strength, helping it keep its shape and be less prone to shrinking.

All seams are lock stitched for maximum strength, to withstand the stretching and general wear and tear.

Door closures and major points, such as where the cabin and awning connect, are fitted with two-way,

heavy weight zips with flexible plastic covers to prevent leaks.

FEATURES

- Storage Lockers
- Ventilated Inner Tents
- Roof Linings
- Underbed Storage
- Reinforced PVC Mud Flap
- High PVC Mud Wall
- Roll up Front Panel
- Roll up Side Panel
- Stable Door
- Fully Galvanised Chassis

If you are considering camping holidays for the first time, Clipper is designed especially for you. One step ahead of a large frame tent that would require a luggage trailer to carry it, Clipper is a four berth trailer tent that gives you off-the-ground sleeping, complete in its own trailer.

Erected and packed away with ease, Clipper provides you and your family with first class accommodation for either holidays or short breaks. Under the spacious awning there is ample room for the young family, an ideal introduction to the fun and freedom they will soon experience.

Attractively finished in matching Royal Blue and Greys, with Roll-up front panel and side wall, Underbed storage, Ventilated inner tents and Roof lining as standard, Clipper is no compromise when it comes to the finer points and quality that Conway have built into this entry model.

Fully Galvanised Chassis

Designed for the growing family, Cambridge is available in two models. Offering plenty of space for families who regard camping as their regular essential holiday, Cambridge has all the features you need to ensure that it is comfortable. Storage space is available in abundance. Large items can be stowed away under the sleeping areas, whilst inside the trailer there is locker space for the essential items you wish to keep to hand.

Practical elements have also been considered and an impressive list of standard features caters for most needs. A new Stub Canopy has been introduced for 1995, along with Ventilated Bedroom Inner Tents. The large awning (available in two sizes depending on which model is chosen), includes hanging space for clothes, panoramic windows and dual entrance doors.

Both Cambridge models are finished in an attractive Soul Green and Light Grey canvas with matching trim and curtains.

CAMBERLEY

The additional comforts offered by Camberley for the discerning camper, set it apart as a holiday unit. The Conway erecting principle ensures that it is easily erected and packed away, allowing relaxed overnight stops when needed.

For your long stay holidays however, all you need is within easy reach, as there is ample locker space for storage. The awning comfortably houses a toilet compartment and for hanging your special holiday clothes there is also a wardrobe. Two large double beds with Ventilated Inner Tents ensure a peaceful nights sleep. There's also a full kitchen, and roll up sides and front to keep you cool during hot weather.

Although it is difficult to improve, Camberley has a list of options to enhance your holiday pleasure including a Fridge Box to transport your refrigerator in, keeping your food at maximum freshness whilst in transit, a Sun Canopy, ideal for dining al-fresco on warm evenings, and a Table that matches the overall design and fits neatly between the lockers, forming a cosy dining area.

(Cycle Clamps are not included with Carry Rack accessory)

- Fully Galvanised Chassis

An new addition to the Conway range, Camborne is a striking departure from the conventional trailer tent. Attractively designed in Soul Green and Light Grey, to appear cool in hot weather, it has a large (400 x 440 cm) Bay-fronted awning, creating an exceptionally light and airy lounge that is somewhat like sitting in your own conservatory.

Camborne is just as easy to erect for overnight stops as its stable mates, but fully erected it is delightful and spacious for a long relaxing holiday.

With the front of the awning rolled up and the sun canopy erected, a large open space is created. Conway's standard body with additional corner steadies, houses the 100% cotton, Classic Weave Canvas that has become the hallmark of every Conway.

CAMBORNE

(Cycle Clamps are not included with Carry Rack accessory)

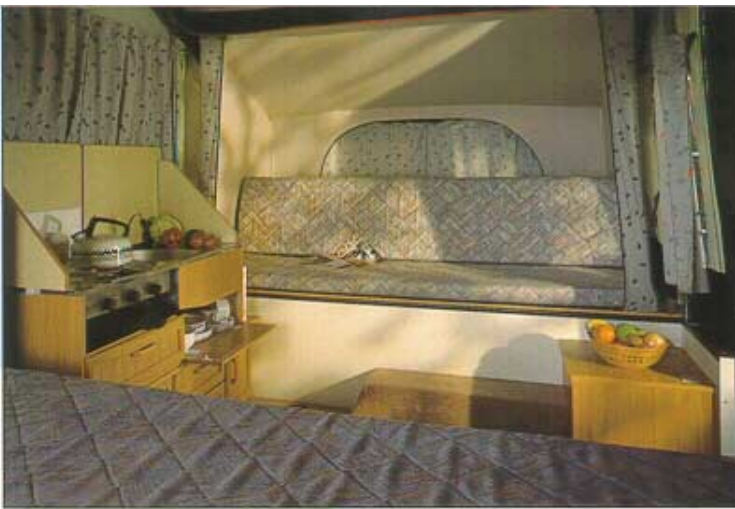

FEATURES

- Wheels Under for Safe Towing

- Fully Enclosed Inner Tents
- 12Volt Waterpump
- Fire Extinguisher

122 142 122 210

Offering a high standard of accommodation, all contained within the main trailer cabin, Challenger is the first model in the Conway range of folding campers.

Once erected Challenger is a complete holiday home from home, with two large double beds, lockers and seating, plus a full kitchen unit with drawers, stainless steel sink and an electric water pump to ensure you holiday in comfort.

The twin-walled body construction, mounted on our full perimeter galvanised chassis, makes the cabin area very cosy. Cupboards finished in American Cherry with profiled doors and drawer fronts add that special touch, whilst Prussian Blue and Grey canvas, with matching roof lining and curtains give it a quality and look that tells you instantly it's a Conway.

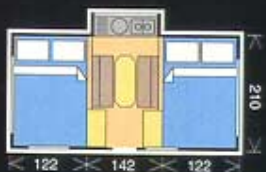

Auto reverse brakes, spare wheel and gas bottle/fridge box all come as standard fittings.

CHALLENGER

FEATURES

- Fully Connected Kitchen Unit
- Dinette Seating
- Table
- Internal Opening Ventilation
- Waterproof Mattress Protection
- Fully Enclosed Inner Tents
- 12Volt Waterpump
- 3 way Fridge
- Fire Extinguisher

Countryman combines the towability of the Challenger with the luxury of its bigger brother the Cruiser. The unique lever assisted erecting system reveals a spacious but cosy cabin.

The fully connected, domestic height kitchen contains 3-way Fridge, Electric Water Pump, Sink and Cooker/Hob. Countryman's deep body provides plenty of storage space, and the the pelmeted roof lining and inner bed tents share the same floral design as the curtains.

At night, stretch out in comfort on two large double mattresses made from high density foam. When it's time to move on, folding wet canvas is no problem either, with our snap-on, mattress and inner tent "Dry-Pack" protection. Bedroom and kitchen windows are fully ventilated and Countryman's 100% classic weave cotton canvas is tastefully finished in Lincoln Green and Grey.

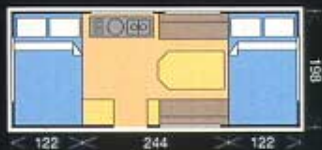

For those who desire even more luxury, Mains Electrics, Underfloor Heating, Awning, Sun Canopy, Carry Rack and Underbed Storage Tents are optional.

COUNTRYMAN

FEATURES

- Galvanised Full Perimeter Chassis

- Slidable Hinged Wardrobe
- Dinette Seating
- Table
- Internal Opening Ventilation
- Waterproof Mattress Protection
- Fully Enclosed Inner Tents
- 12Volt Waterpump
- 3 Way Fridge
- Fire Extinguisher

Based on its own special trailer, with full-perimeter, galvanised steel chassis, camping comfort and six berth luxury comes as standard with Cruiser, offering a complete living space within the main cabin.

Easily erected and non-pegging, Cruiser provides you and your family with your holiday accommodation quickly, and with the minimum of fuss. A wardrobe, kitchen unit and dinette, are all furnishings you might normally associate with a caravan.

Tastefully finished in Lincoln Green and Grey canvas and trimmed with red piping, Cruiser is both stylish and distinctive. The main body is finished in Oyster with green coachlining and a matching green touring cover, completing Cruiser's characteristic appearance even when towing.

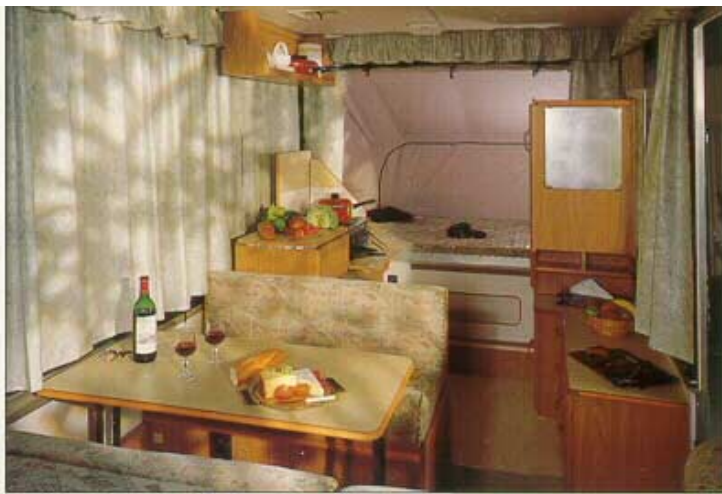

CRUISER

FEATURES

- 12Volt Waterpump
- 12Volt Fluorescent Lights
- 3 Way Fridge
- Fire Extinguisher

The top of the range Cardinal and Cardinal Clubman offer unsurpassed luxury among folding campers. Small to tow, yet when erected, Cardinal provides accommodation equivalent to a six berth, eighteen foot caravan.

Large enough for the whole family, Cardinal is easily erected within a few minutes using the unique wind-up erecting system. Fully equipped with all you will need, Cardinal boasts a full kitchen, heat resistant worktops and table, a large wardrobe, underseat storage and generous cupboard space. For an added touch of style the furniture is finished in American Cherry with profiled doors and drawer fronts.

A number of special features place the Cardinal in a class of its own. Equipped with mains and twelve volt electrics and internal fluorescent lighting, a three way fridge and electric water pump, all of the essential services are brought into the main cabin for your convenience.

Conway set the standard for colour, style and features. Our uncompromising quality of construction and attention to detail means your Conway will retain its distinctive good looks and value. Conway owners are supported by one of the best after sales services available, making Conway a sound investment for your future holidays.

Buying a Conway is merely the beginning of what will be a long relationship between you, the customer and Conway.

Conway owners are only limited by their imagination and once you have tasted the flavour of "The great outdoors", then automatically, a whole new world unfolds before you.

Sharing these experiences with others is all part of the fun of camping. The pleasures that this camaraderie provides is the reason why Conway have firmly supported the development of the Conway Owners Club. An exciting venture started in 1988 by extremely enthusiastic Conway users.

From their original seed of an idea, prompted by the enjoyment they were getting from their Conway, has grown the Conway Owners Club. A well equipped and highly organised club with a growing membership from all over the country and from all walks of life. Today this club goes from strength to strength with a busy programme of truly varied activities taking place all year.

Tours of the Conway factory at Appley Bridge are organised whilst the impressive sight of hundreds of Conways at the many rallies held by the club, both in the UK and on the continent, are an unforgettable experience indeed.

Complementing this active programme, the Conway Owners Club offers many other exciting reasons for joining. Discounts on product insurance, quarterly news magazines and regular updates on product information are just part of the many services open to club members.

The emphasis at the Conway Owners Club is very much placed on the family atmosphere, choosing sites with good facilities and with plenty of opportunities to keep all the family fully occupied.

Significantly, the spirit of involvement fostered by the Conway Owners Club has played a key role in the product development programme at Conway's factory. Practical suggestions and tips from members have been incorporated into many of the new products seen within this brochure. Proof indeed that at Conway we listen.
