Folding Campers

We are proud to present our range of folding campers: the ultimate in terms of quality and reliability.

The advantages of a folding camper are that they have well designed living areas with comfortable seating and well equipped kitchens, mostly with built in fridges. As pegs are not required the units are extremely quick and simple to erect.

Conway folding campers offer the luxury of a caravan without the associated disadvantages of towing and storage

- Challenger *Page 14*

- Crusader *Page 20*
- Cardinal *Page 22*

Conway would like to thank the following people for their help in the production of this brochure: Andrew Allsopp at Morley Hayes Golf Club, Abbey Fields Caravan Site, Saracen Cycles LTD.

*Please Note:
Due to the process of ever continuing improvement, some details contained in this brochure may change. However the information is correct at time of going to press.*

Conway

30 years of manufacturing excellence.

This year marks our 30th anniversary and during this period Conway have earned a clear reputation for being *"leaders in the field"*.

Ever since the first trailer tent rolled off our production line back in 1968 we have focussed on producing the best in terms of quality and durability. Indeed many of our early units are still in use today as a testament to our determination to use only top quality materials.

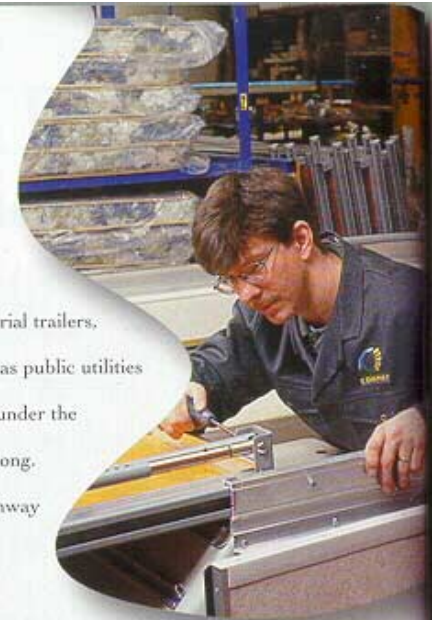

You will notice, on browsing through this year's brochure, that we have quite

a range of both trailer tents and folding campers. This is because we realise our customers have many different requirements and we have tried to match those needs and desires to our new model line up.

Conways are made by campers for campers and we take very seriously all suggestions made by our customers, dealers and own staff users alike, to ensure that our product development is a continual process where we are constantly looking at ways to improve and update our units. Although you may not be aware, Conway also manufacture an extremely

tough range of industrial trailers, supplying such users as public utilities and local authorities under the brand name of Glidalong.

Of course Conway trailers tents and folding campers will never be required to carry some of the payloads of our Glidalong range but their chassis have nevertheless been designed using the same techniques and know how gained from our commercial department.

**CONWAY**
*Freedom
for Life*

The real joy of owning a Conway (besides knowing that you really do have the best money can buy) is the amount of freedom that camping in general and camping with a Conway unit especially, can give you.

You can use your Conway for weekends, Bank Holiday breaks, U.K. and European holidays alike. Experience the great outdoors without being tied to meal times or delayed flights. If you don't like a camp site - move on to

pastures new!

You simply

cannot beat the traditional family camping holiday. Children love it and if they are happy, the chances are that you will be happy too.

We hope that you will be happy with your new Conway - you may not have bought one yet - but once you have read this brochure, and seen the units in 'real life' the rest is a foregone conclusion.

ENJOY YOUR HOLIDAYS!!!

Voyager

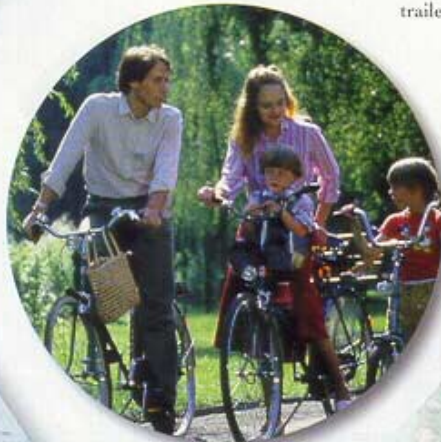

A revolutionary design in a compact trailer

A brand new trailer tent for the 1998 season.

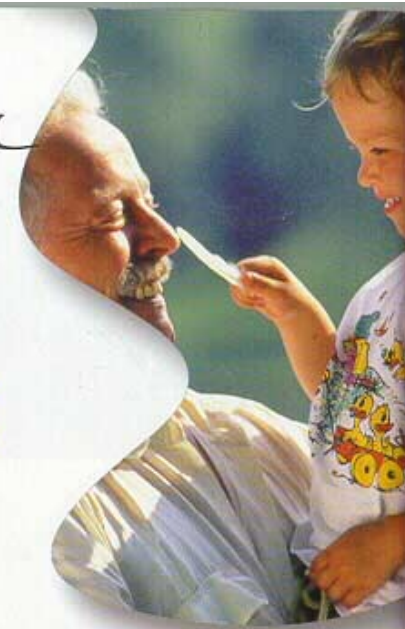

Conway are famous for listening to their customers and acting on their needs, and this is no exception. The Voyager is the ultimate in compact trailer tents, utilising the transverse sleeping position approved in earlier models, this unit folds down to an amazingly small trailer

measuring only 1.4 x 1.15m, yet when fully erected the awning provides a living area greater than many of its competitors. The light weight of the trailer means that it can be towed easily by the very smallest of cars.

The Voyager is truly remarkable value for money and will enable you to enjoy the delights of camping without sleeping on the ground, whilst freeing valuable car boot space that otherwise may have been fully occupied with frame tents, poles and airbeds.

 **CONWAY**
*Freedom
for Life*

FEATURES :

- Compact Trailer Size
- Transverse Beds
- Removable Covers
- 4.5M Wide Awning
- Ventilated Inner Tents
- Roof Linings
- Reinforced Mud Flap
- High Mud Wall
- Roll up Front Panel
- Roll up Side Wall
- Built in Wardrobe Area
- Built in Trailer Storage Area

UITVOERING

- Vouwcaravan met compacte afmetingen
- Bedden dwars
- Verwijderbare boezen
- Zonnescherm; 4,5m breed
- Geventileerde binnententen
- Plafondbeering
- Versterkte spatlapp
- Hoog spatscherm
- Oprolbare voorwand
- Oprolbare zijwand
- Ingebouwde garderobe ruimte
- In vouwcaravan ingebouwde opbergruimte

Clipper

Compact, light and intelligently designed

Ideal for the small family or even just a couple on their own, it's compact enough to be folded into the smallest space, yet when erected it provides all the room you could possibly need.

With its front extension permanently attached to the cabin canvas, the Clipper is quick and easy to erect. The roll up front and

side panels offer spacious freedom of access and the large

windows give plenty of light for a bright, airy ambience throughout.

The Clipper also boasts a reinforced mud flap and a high mud wall, with the raised beds providing ample storage, or an underbed tent may give another bedroom if required.

Two models are available - the L, and DL.

The latter comes complete with the traditional Conway kitchen renowned for its quality and robust nature. Both models have removable mattress covers, cotton roof linings, ventilated bedroom compartments,

and a fully galvanised chassis for durability.

The Clipper can be easily towed by the smaller car without placing a high penalty on efficiency or performance.

Overall, there can be no doubt that the Clipper is a most versatile unit that offers excellent value for even the most discerning of budgets.

**CONWAY**
*Freedom
for Life*

FEATURES :

- Removable Covers
- Storage Lockers
- Ventilated Inner Tents
- Roof Linings
- Underbed Storage
- Reinforced Mud Flaps
- High Mud Wall

- Split Kitchen Worktops

UITVOERING

- Verwijderbare boezen
- Opbergkasten
- Geventileerde binnentent
- Plafondvoering
- Opbergruimte onder de bedden
- Versterkte spatlap
- Hoog spatlochern
- Oprolbaar voorwand
- Oprolbaar zijwand
- Staldeur
- Keuken (Uitsluitend op DL uitvoering)
- Volledig verzinkt chassis
- Kan worden getrokken door de kleinste auto's
- Uitklapbaar keukenaanrecht

Mirage

Even More Generous with Space

The Mirage is a new trailer tent that offers all the benefits of our Clipper unit, but with bigger beds and a more generous living area.

Everything about the Mirage in fact, is designed to give you the space you need for all the possessions you require, on even the most extended of holidays. It's also a more comfortable unit in

many ways, offering locker cushions and fully removable seat and mattress covers,

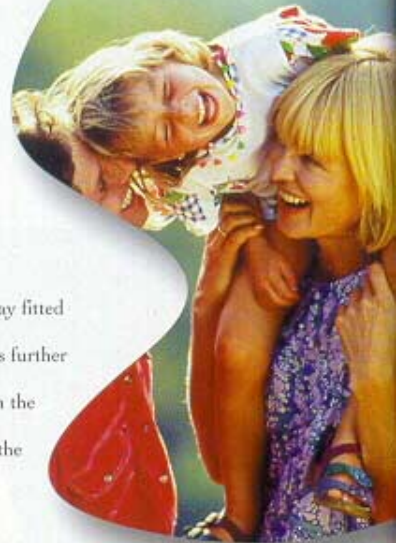

which can be easily cleaned. So you have the peace of mind of knowing that you can go for a walk in the countryside without having to worry about what happens if you bring back half of it on your clothes. The Mirage comes supplied with an internal compartment which may be used either as a toilet or a wardrobe as it has a ventilated window. The awning may be unzipped from the cabin for easy storage and comes complete with a cotton roof liner in complimentary warm natural colours. An optional 1 metre extension is available to increase the living space if required, which also has an extra internal compartment built into its internal lining.

Naturally, the Mirage also comes complete with the traditionally practical Conway fitted kitchen. Practicality which is further aided by the storage space in the lockers under the seats and the aisle of the trailer itself when in transit.

And, as with all Conway trailers, there is a specially designed fully galvanised chassis for both lightweight and easy manouvability.

**CONWAY**
*Freedom
for Life*

FEATURES :

- *Locker Cabions*
- *Removable Covers*
- *Storage Lockers*
- *Ventilated Inner Tents*
- *Roof Linings*

- *Uitklapbaar keukenaanrecht*

Olympia

Introducing the Olympia Elegantly Spacious, Technically Superb

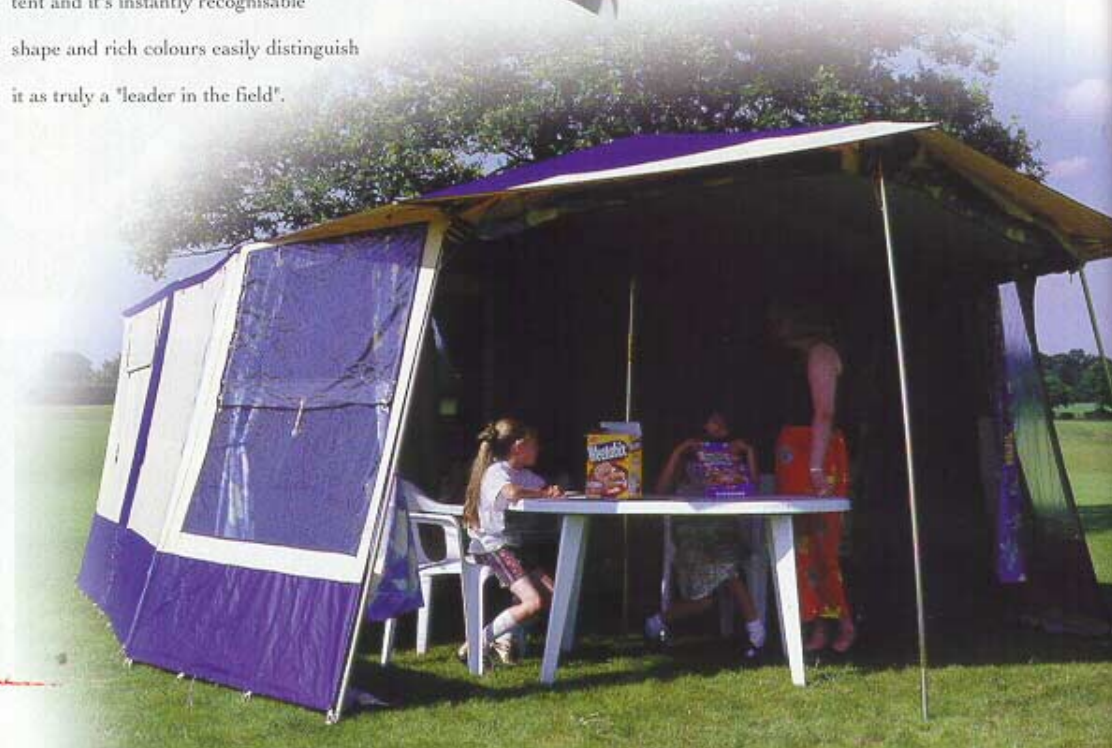

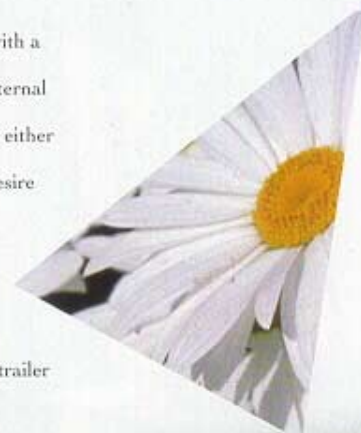

The Olympia has a distinctive outer shape with the awning being extended at the front to provide extra space and improved headroom (7' 8" or 2.33 mtr).

The side walls of the awning have been designed in such a manner that the wall panels may be rolled up in numerous

combinations to give an even greater feeling of freedom and space.

The Olympia comes complete with a Conway kitchen and also has an internal compartment which can be used as either a toilet or wardrobe. Should you desire the latter a wardrobe bar has been thoughtfully supplied to accept your coat hangers.

The Olympia is our largest trailer tent and it's instantly recognisable shape and rich colours easily distinguish it as truly a "leader in the field".

FEATURES :

- Locker Cushions
- Removable Covers
- Storage Lockers
- Ventilated Inner Tents
- Roof Linings
- Wardrobe / Toilet Compartment
- Storage Pockets
- Underbed Storage
- Reinforced Mud Flap
- High Mud Wall
- Stable Door
- Kiteben

- Opbergruimte onder de bedden
- Versterkte spatlap
- Hoog spatelborm
- Staldeur
- Keuken
- Volledig verzinkt chassis
- Diverse oprolbare wanden
- Toegenomen staboogte
- Uitklapbaar keukenaanrecht
- Wordt geleverd compleet met steunwiel, reservewiel en opsluitbeugel

Challenger

Superbly versatile accommodation

The Challenger is the most compact of the Conway folding camper range so it offers superb accommodation with real versatility.

The optional awning and sun canopy can offer increased living areas, and the change from a spacious four berth to a most capacious two berth camper is

made with consummate ease - simply

change one of the double

beds into a settee and

you have the ideal

unit for the

couple seeking

all the adventure and freedom with none of the drawbacks.

There's a fully connected kitchen unit with a built-in cooker and stainless steel sink, and it's supplied with an electrically operated water pump triggered by a convenient tap.

The long list of standard features - table, waterproof mattress protection, twin-walled body construction, water pump, fire extinguisher, 12 volt socket, gas bottle or fridge box - can be added to, from an equally

impressive list of optional extras. Underbed tents and zip-on side skirts are available, for example, to give extra space when the occasion demands.

Even the stability has been thoroughly considered, with wheels under and auto reverse brakes for safe towing, and the wind down corner steadies provide superb stability when the unit is erected.

**CONWAY**
*Freedom
for Life*

FEATURES :

- *Wheels Under for Safe Towing*
- *Convertible Bed/Seat*
- *Auto Reverse Brakes*
- *Wind Down Corner Staircase*
- *Under-slung Spare Wheel*

- *Ventilatieopening aan binnenzijde*
- *Waterdichte matrasbescherming*
- *Volledig ingesloten binnentent*
- *Brandblusser*
- *1 stopcontact 12V*

Excel

A New Concept in Trailer Camping

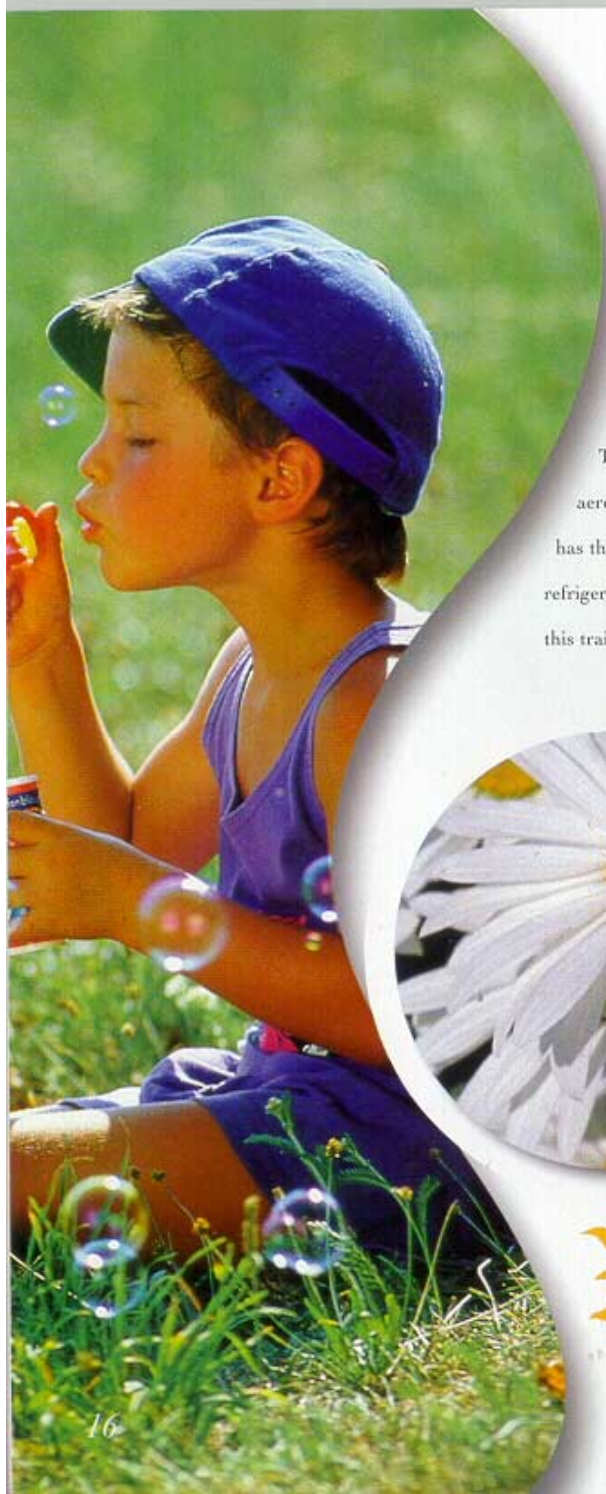

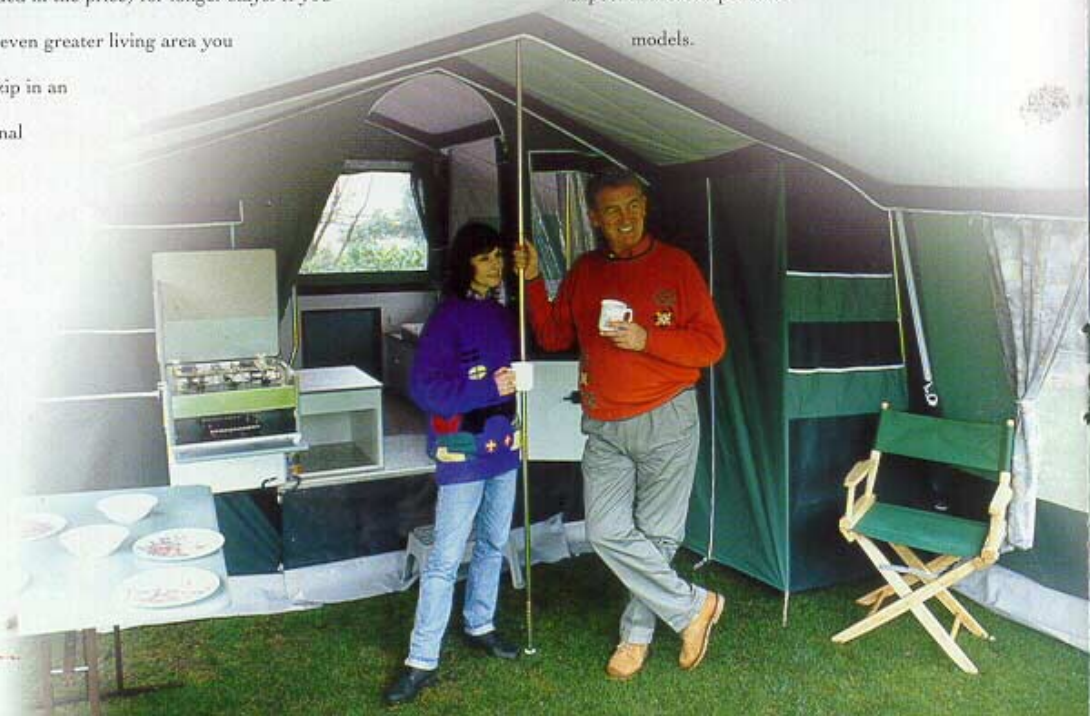

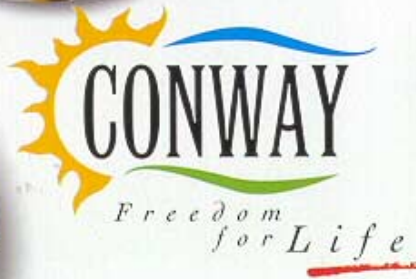

Designed with the small family in mind the Excel offers all the benefits of the Challenger and more...

The Excel has a newly designed aerodynamic easy clean plastic body and has the built in luxury of an Electrolux 3-way refrigerator. Although the external dimensions of this trailer are not dissimilar to that of the

Challenger, the internal design has allowed for extra storage and a

padded bench seat for the children, whilst maintaining the popular bed settee arrangement of the Challenger. The ingenious design of the Excel's rear bulkhead means that it has a double rear door which folds out to give greater trailer access and enables the portable stainless steel double burner and grill to be used either inside or outside the trailer. Excel can be used as a non pegged folding camper for weekend use or you may attach the spacious awning (which is included in the price) for longer stays. If you need even greater living area you may zip in an optional

1 metre extension which also houses a ventilated toilet/wardrobe compartment. Summing up then, the Excel is a truly versatile unit. It can be used without pegs as a folding camper or, if you need the space, it has the capability of being an extremely roomy trailer tent whilst maintaining luxury seating, built-in fridge and excellent storage space that you would normally expect in more expensive models.

FEATURES :

- Supplied Complete with Awning
- Auto reverse brakes
- Wind down corner steadies
- Underlung spare wheel
- Wheels Under for Safe Towing
- Gas bottle storage
- Aerodynamically Shaped Moulded Body
- Non pegging
- Dinette seating
- Table
- 3 Way Electrolux Fridge
- Waterproof mattress protection
- Fully enclosed inner tent
- Fire extinguisher
- 2 x 12 Volt sockets
- Multi Cooker Positioning
- Extended Internal Locker Space

UITVOERING

- Voorzien van zonnecovern
- Automatische achteruitrem
- Uitdraaibare boeksteunen
- Aan onderzijde gemonteerd reservevel
- Niet uitstekende wielen t.b.v. veilig slepen
- Opslag voor gasfles
- Aerodynamisch gevormde carrosserie
- Geen tentbaringen benodigd
- Eetboekje
- Tafel
- Electrolux koelkast: 3-weg uitvoering
- Waterdichte matrasbescherming
- Volledig ingesloten binnentent
- Brandblusser
- 2 stopcontacten 12V
- Plaats voor meervoudige kookplaat
- Uitgebreide interne opbergruimte

Cruiser

The simplest, easiest way to erect a camper ever devised

The Cruiser offers quite simply the most comfortable and relaxed start to your holiday you can imagine, because erecting it quite simply is the easiest thing you will ever do in camping. Once you have stabilised it with the easy to use, wind down corner steadies, simply pull out the beds and the patented 'Connaumatic' mechanism automatically erects the entire unit. There is no heavy lifting involved, and no need to align anything either,

as the canvas is permanently attached to the body of the trailer.

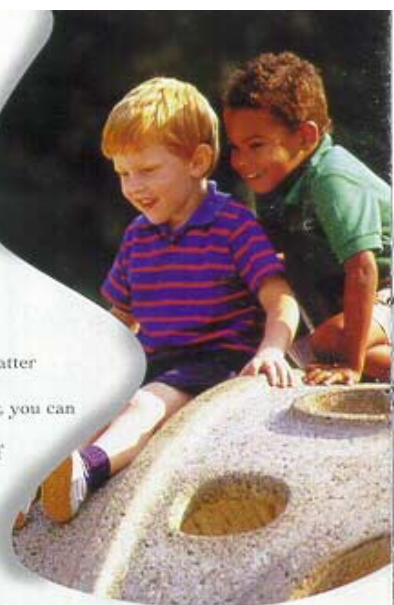

You don't even need to peg it out. It really is as simple as a child's pop-up book.

From this truly auspicious start, it's simply a matter of preparing to spend a holiday with every usual comfort. The dinette seating area comfortably accommodates every member of your party, and they can all be catered for in style using the fully connected fitted kitchen complete with its 3-way fridge. The slidable hinged wardrobe offers generous room for your 'Sunday best' clothes and the beds are a most generous 6'4" in length. For 1998 the mattresses will be fully sprung to give you a good nights sleep after all that 'fresh country air.'

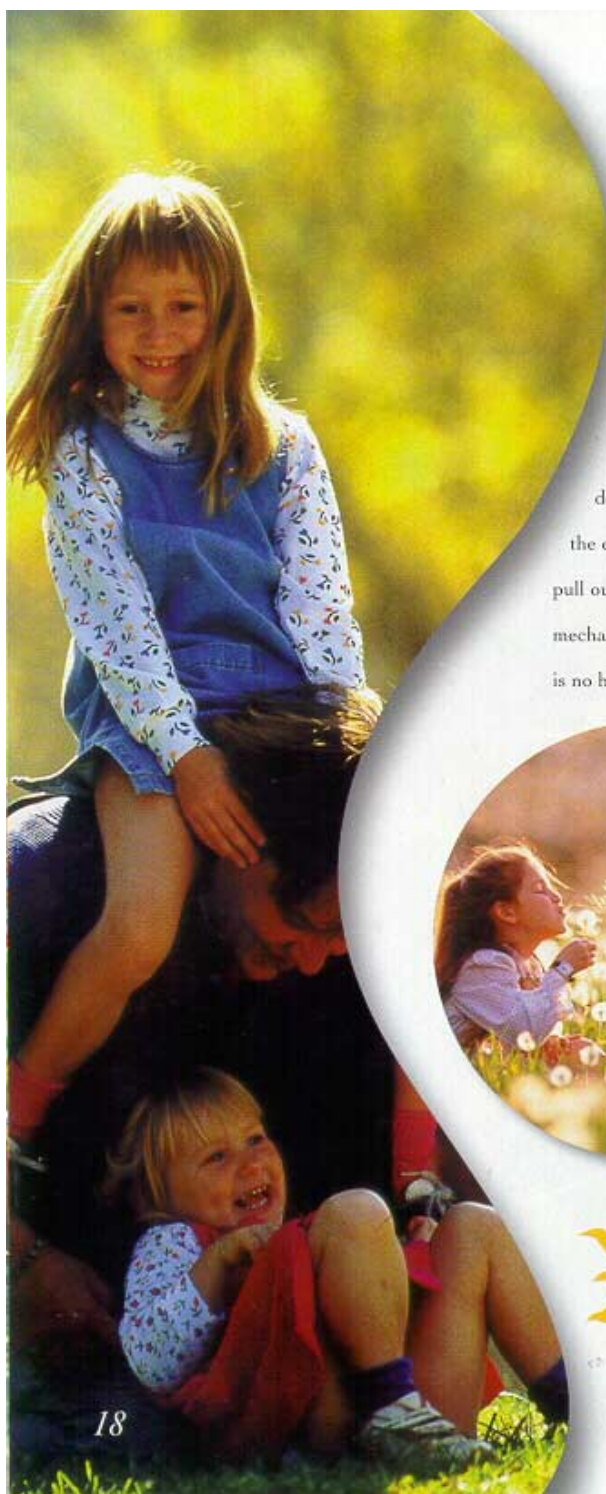

The bed windows themselves can

now be opened from the inside so that no matter how stuffy the weather, you can rely on that extra bit of cool air to see you through the night.

The newly designed sun canopy may be attached to either the Cruiser cabin or the awning for dual use, on weekends or longer stay holidays. The bedroom annexe, new for 1998, enables your children, or your guests, to sleep outside of the main cabin in a room of their own.

 **CONWAY**
*Freedom
for Life*

For erection sequence please see Crusader page overleaf:

FEATURES :

- Galvanised full perimeter chassis
- Auto reverse brakes
- Wind down cover stabiliser
- Under-slung spare wheel
- Wheel trim
- Gas bottle storage for 7kg bottles
- Generously sized 6'4" beds
- Twin walled body construction
- Non pegging
- Fully connected kitchen unit
- Slidable hinged wardrobe
- Dinette seating
- Table
- Internal opening ventilation
- Waterproof mattress protection
- Fully enclosed inner tent
- Fire extinguisher
- 2 x 12 Volt sockets
- Stylish front & rear mouldings
- Roll up face wall
- Ventilated bed windows
- Fully Sprung Mattresses
- Pressure Sensing 12 Volt Waterpump
- 3 Way Electrolux Fridge

UITVOERING

- Volledig verzinkt chassis
- Automatische achterrem
- Uitschuibbare boordruiten
- Aan onderzijde gemonteerd reserve wiel
- Wielstrippen
- Opslag voor 1kg gasflessen
- Ruime bedden; 1,92 m lang
- Carrosserieconstructie met dubbele wanden
- Geen tentbalingen benodigd
- Volledig geïntegreerd keukenblok
- Garderobe met schuiven voordeur
- Eetbankje
- Tafel
- Ventilatieopening aan binnenzijde
- Waterdichte matrasbescherming
- Volledig ingesloten binnentent
- Brandblusser
- 2 stopcontacten 12V
- Stijlvol afgewerkte voor- en achterzijde
- Oprolbare voorwand
- Bedruim voorzien van ventilatie
- Binnenvloermatrasse
- 12V Waterpomp, met drukregeling
- Electrolux koelkast; 3-weg uitvoering

Crusader

"A Cut above the Rest".

The Crusader has been modelled on the extremely successful Cruiser model described on the previous page and whilst enjoying the same easy erection mechanism it also has the benefit of more space and a built-in cassette toilet with solid compartment walls.

The size of the awning associated with this larger unit is truly

voluminous enough

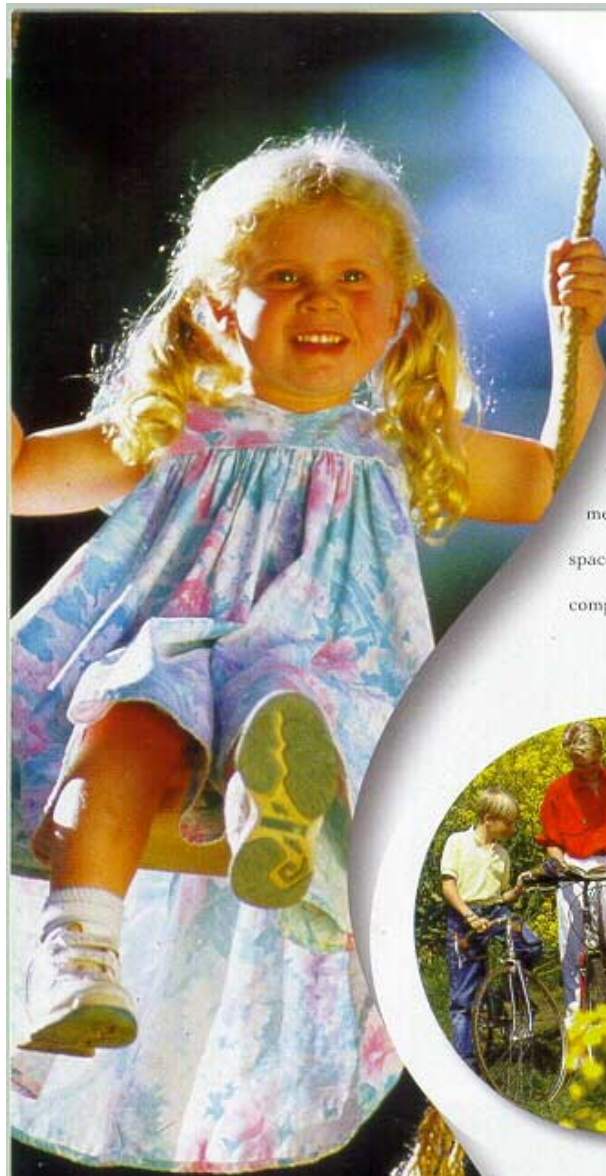

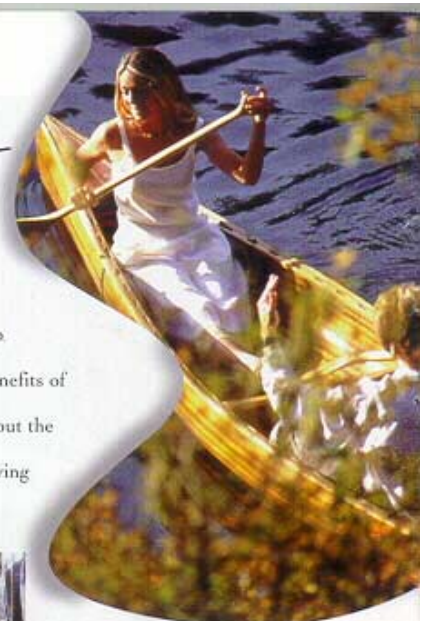

to cater for the space required by the unit's residents and their guests,

above and beyond the Crusader's six berth status. Erection of this awning has been made easier though, by the fact that both sides and face walls may be removed completely prior to attachment to the cabin. Once the awning is zipped on you may decide to leave the walls out to create a huge sun canopy or perhaps zip in one or two extra bedrooms for additional guests, as required. The sprung mattresses offer exceptional comfort whilst the inclusion of a mains supply and 12 volt charging system offers the possibility of many further

creature comforts. Summing up then, Crusader offers all the benefits of more expensive caravans, without the associated disadvantages of towing and storage.

**CONWAY**
*Freedom
for Life*

FEATURES :

- Galvanized full perimeter chassis
- Auto reverse brakes
- Wind down corner steadies
- Underlong spare wheel
- Wheel trims
- Gas bottle storage for 7kg bottles
- Generously sized 6'4" beds

- Cassette toilet in compartiment voorzien van vaste wanden
- Ingebouwde 220 volts installatie
- Verlengde wagenbak

Erecting the Crusader is as easy as:

1.

2.

3.

Cardinal

La crème de la crème du camping

The Cardinal really is the ultimate in folding campers. Luxurious, spacious, quick and easy to erect, solid and stable, and very secure when closed, the Cardinal offers everything you could want in a camper. The 6 berth accommodation is quick and easy to erect - simply wind up the roof using the geared mechanism and slide the beds out to

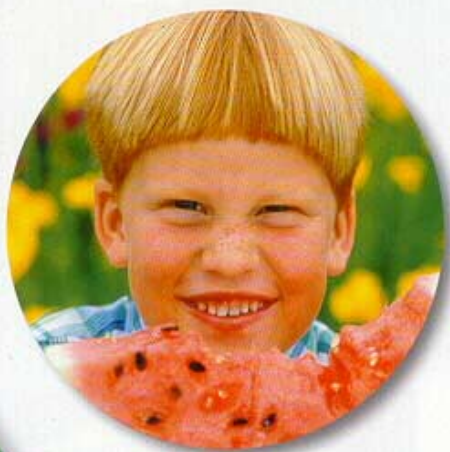

lock them into place

Once up, you'll find the Cardinal offers all the comforts of home with a built-in 3 way fridge within the fully connected kitchen unit, which also provides you with a 12 volt water pump so that you're never without water on tap. Storage and living utilities are as generous as you would expect of a Conway, with a roof shelf, slidably hinged wardrobe, comfortable dinette seating and a good size table.

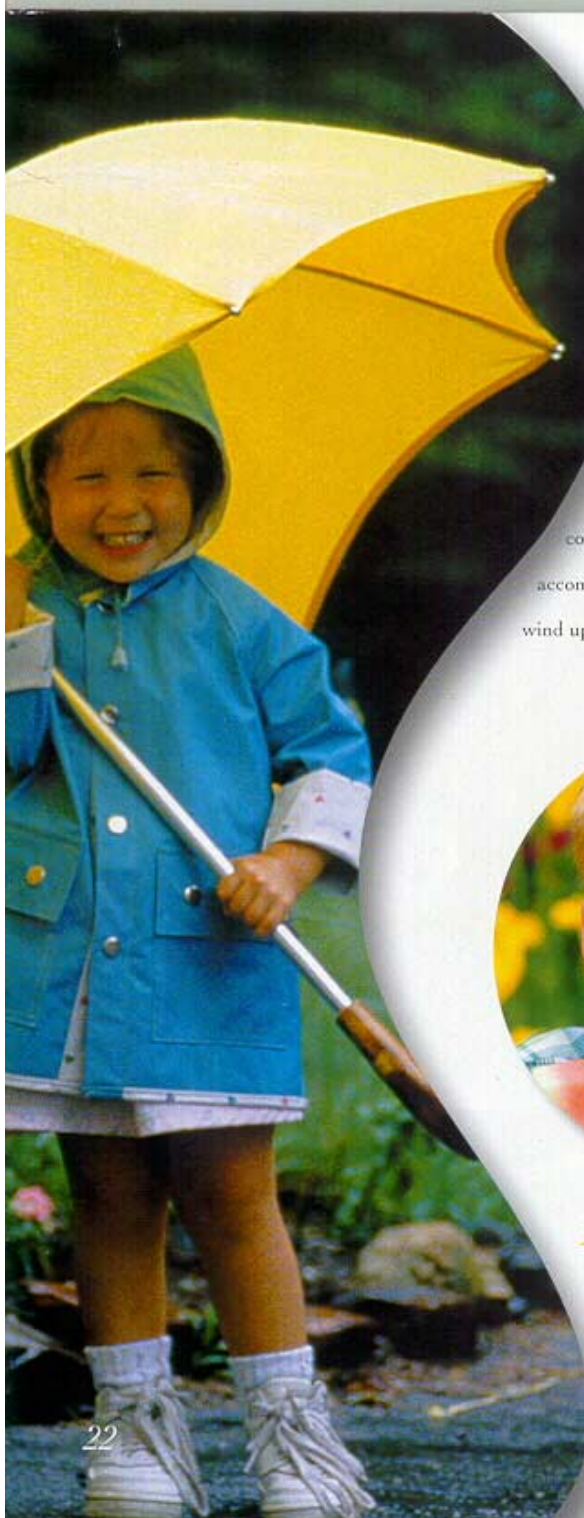

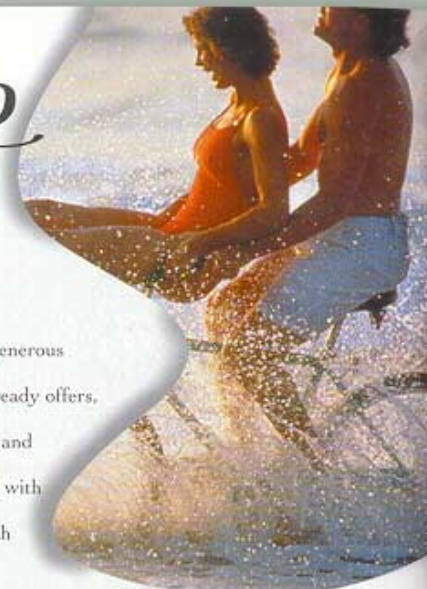

There's ample lighting and large windows for a bright, airy feel and the wind down corner steadies provide complete stability.

And if you find yourself hankering for even more generous room than the Cardinal already offers, there's an optional awning and sun canopy to provide you with all the space you could wish for.

Once closed away, the hard top can be locked to give extra security. There's an underslung spare wheel should anything untoward happen, but to help make sure it doesn't, there are auto reverse brakes.

**CONWAY**
*Freedom
for Life*

FEATURES :

- Galvanized full perimeter chassis
- Auto reverse brakes
- Wind down corner steadies
- Underlayment spare wheel
