*Trailer Tents & Folding Campers*

# Join the **Winning Team**

*...Why Conway is No. 1 in the UK*

**H**ave you ever wondered why Conways made many years previously still look to be "The Best" tents on the site?

The reasons are simple:

- **Conway use the best canvas** money can buy. We are the only manufacturer to use this particular type of canvas. The quality and durability of its weave ensure its performance and quality appearance for years to come.
- **Each Conway canvas is cut** to exacting standards thus eliminating the need for complex frame adjustment points enabling you to erect the unit as quickly and easily as possible.
- **We design and produce our own chassis.** Using the latest computer assisted technology means that we can be sure that our trailers are amongst the safest and easiest to tow on the market today.
- **We use top quality materials** to match your expectations of a unit that will give you many trouble free years of use when you purchase a Conway.
- **With over 31 years experience** it is our belief that complacency is the enemy. Constant assessment and feedback from owners and employees alike enable us to continue our development programme and produce the finest products available today.
- **We are often imitated but never bettered!** Share with us the Conway experience and enjoy *Freedom for Life!*

## Trailer Tents

## Folding Campers

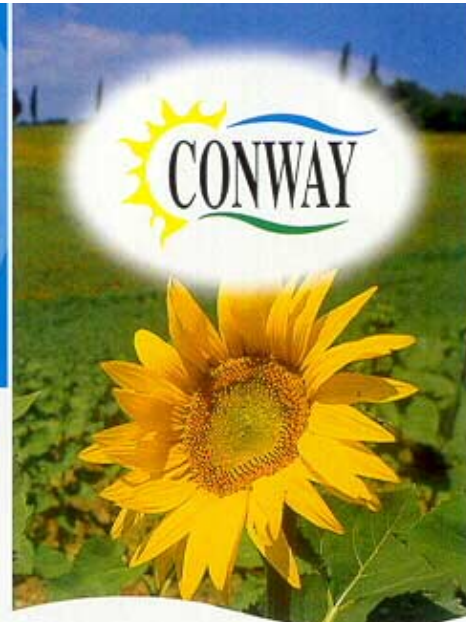

**O**ur special bed folding system means that the interior of the trailer remains perfectly dry even if you have been unlucky with the weather and have to fold down a damp canvas.

- **The covers on our seats and mattresses** are removable for easy cleaning.
- **The roof liners in both living and cabin areas** are designed to trap a layer of air which will keep you warmer at night and cooler through the day.
- **The interior mud flap** is designed to fold inwards enabling rain water to run easily off the outer canvas walls and drain away. It is so strong that you can peg down your ground sheet through it thus virtually eliminating drafts.
- **Little things count** ~ every Conway comes complete with everything you need to begin your holiday even down to a step stool and a mallet.
- **Every Conway has built in storage lockers.**
- **Every Conway has a high PVC mud wall** so that splashes of mud can be easily removed with a damp cloth.
- **The Conway kitchen** is synonymous with quality and leads the field for its functional durability.

**T**he difference between a trailer tent and a folding camper is that a folder is quicker to erect than a trailer tent, as there is no pegging involved and is thus ideal to use for a weekend or simply an overnight stop.

- **We regard safety as paramount** and have designed all our kitchens so that you never need to disconnect a gas pipe when you want to pack your unit down. This saves time and removes the risk of any gas leaks.
- **All Conways are easy to tow** and have their wheels "in-board". This makes life easier when towing for you to accurately gauge clearances for manouvering in tight spaces.
- **The taps in all of our folders** are operated by hand, as opposed to a foot switch that can be trodden on accidentally.
- **We use an automatic braking system** on all our folding campers which works in harmony with your vehicle's brakes to ensure a smooth deceleration and a safe stop.
- **All of our folders have** wind down corner steadies for increased stability and ease of use.
- **An underslung spare wheel** is standard with each model.
- **An electric water pump** effortlessly supplies your water requirements. Each folding camper has its own built in 12volt wiring circuit with easily accessible sockets.
- **All units with built in fridges** are capable of running on 12 volts, mains or gas.
- **A table is supplied** with all units.
- **Buying a Conway will give you Freedom for Life:** the freedom to take the kind of holiday you want, where you want and when you want.

# Voyager

Wardrobe between inner tents

Tent interior tidy pockets

## Voyager Standard Features

The **Voyager** is supplied with the following standard equipment:

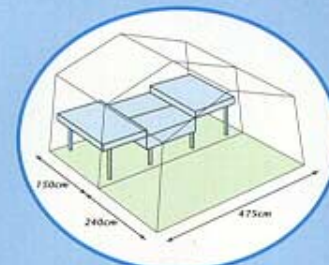

- Transverse beds
- Removable mattress covers
- Ventilated inner tents
- Reinforced mud flaps
- High mud wall
- 4.75m wide awning
- Roof linings
- Pegs and mallet
- Wardrobe bar
- Built-in storage compartment.

Underfloor storage area

Inner mudwall base flap

# The Voyager

*...a compact trailer with a revolutionary design*

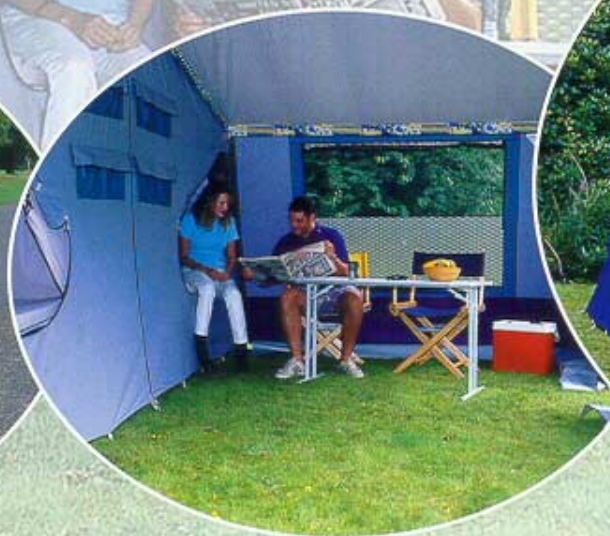

Trailer Tents

- **Why buy a separate trailer and frame tent?**  
Buy a Voyager and enjoy a nights sleep off the ground in comfort without the hassle of blowing up an airbed.
- **The generous living area** easily accommodates a table and chairs. An integral wardrobe is provided for "crease-free" clothes and additional items may be placed in the built in storage area under the floor. The front and sidewalls may be rolled up in a variety of configurations for extra ventilation and versatility.

- **The Voyager, measuring an incredible 140cm x 175cm (4'7" x 3'9")** is effortless to tow, even for the smallest of cars and is easy to store when not in use.

- **The optional sun canopy** enables you to enjoy a meal "Al Fresco" or simply a late afternoon drink whilst you watch the world go by!

# Continental

Cabin wall tie tape

Step stool, rubber mallet and pegs

## Continental Standard Features

**The Continental** is supplied with the following standard equipment:

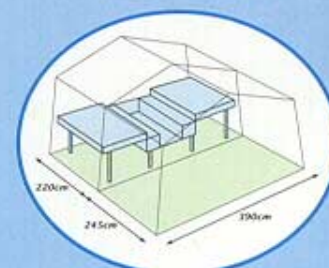

- Removable mattress covers
- Fully carpeted with built-in storage lockers and drawers
- Ventilated inner tents
- Roof linings
- underbed storage
- Reinforced mud flaps
- Roll-up front and side panels
- Split kitchen worktops
- Fully galvanised chassis
- Stepstool
- Pegs and mallet

Guy point tapes tie direct to frame

Kitchen front flap forms useful shelf

# The Continental

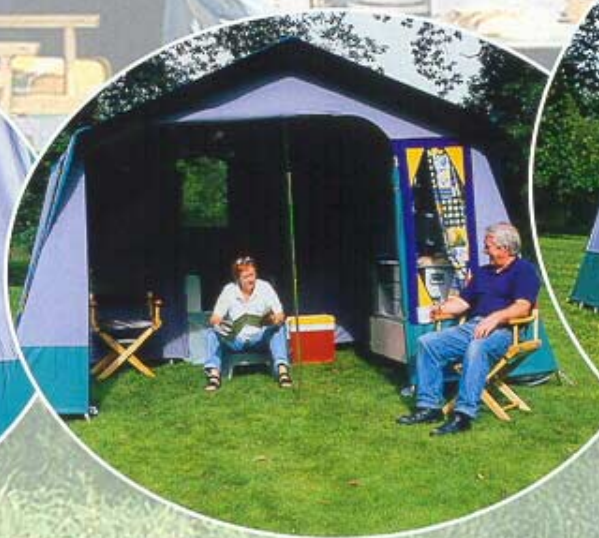

*...an inexpensive trailer tent with proven Conway quality*

Trailer Tents

- **The Continental's** cabin and awning roofs are made from heavy-duty canvas and the one piece construction makes it simple to erect.
- **The permanently attached** awning simplifies erection. The front and side walls may be rolled up for maximum ventilation on those hot summer days.
- **Lowest weight** standard Conway makes towing effortless even for the smallest cars.
- **Attaching the optional** sun canopy provides increased living area with minimal effort.
- **The Continental DL** benefits from the same kitchen as the rest of our range and makes preparing food a pleasure whilst on holiday.

# Mirage

Bedroom luxury carpet and drawers

Ventilated window for toilet/wardrobe

## Mirage Standard Features

**The Mirage** is supplied with the following standard equipment:

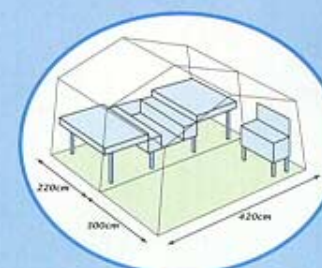

- Removable mattress/seat covers
- Fully carpeted with built-in storage lockers and drawers
- Ventilated wardrobe/toilet compartment
- Roof linings
- Ventilated inner tents
- Inner cabin window
- Underbed storage
- Reinforced mud flaps
- High mud wall
- Roll-up front and side panels
- Split kitchen worktops
- Fully galvanised chassis

Internal pegging reduces draughts

Tent tidy pockets and wardrobe

# The Mirage

...for a vision of perfection

Trailer Tents

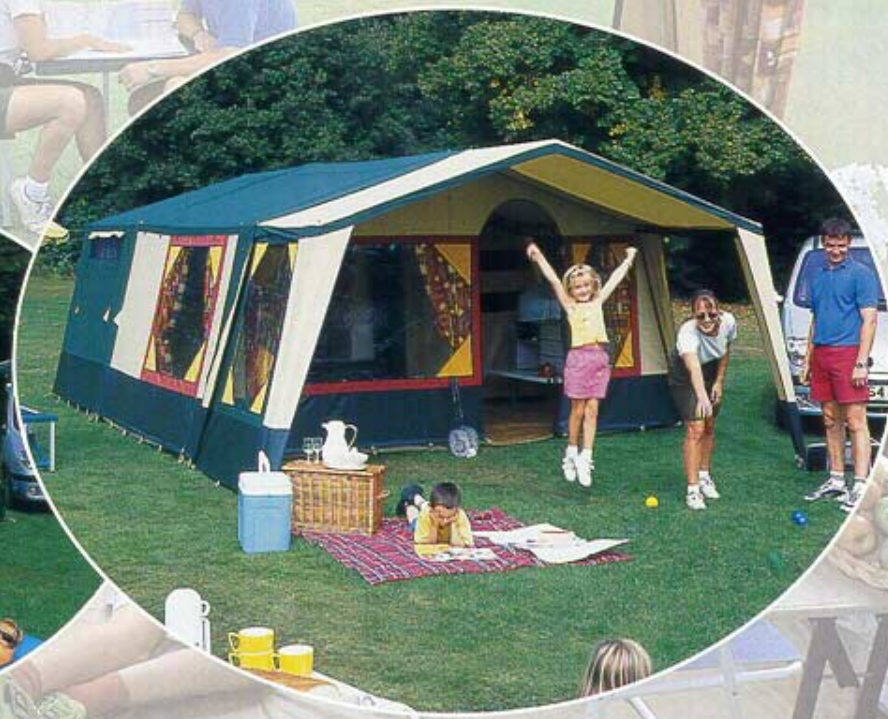

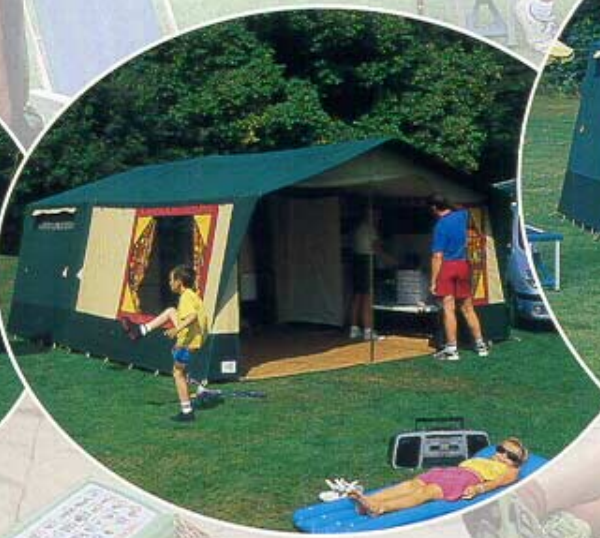

• **The colours of the Mirage** have been carefully chosen to co-ordinate perfectly with the environment and will be sure to draw admiring glances from fellow campers.

• **The Mirage sidewall** may be rolled up without removing the curtains. The kitchen fits neatly next to the vented compartment, which may be utilised, as either a toilet or wardrobe.

• **The optional sun canopy** may be zipped on to either the cabin or the awning. Adding the sidewall will transform the Mirage into the envy of the campsite.

• **The seat cushions** have been cleverly designed to transform the beds into King Size and add to the Conway Standard of Luxury.

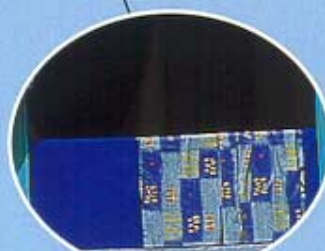

## Century Standard Features

The Century is supplied with the following standard equipment:

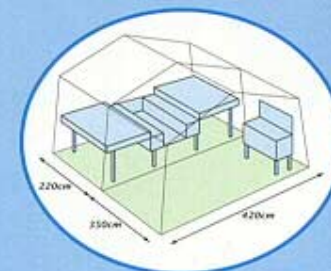

- Removable mattress/seat covers
- Fully carpeted with built-in storage lockers and drawers
- Separate wardrobe and toilet compartments
- Roof linings
- Ventilated inner tents
- Underbed storage
- Reinforced mud flaps
- High mud wall
- Zip-out front panels
- Split kitchen worktops
- Kitchen water pump
- Fully galvanised chassis
- Ventilated inner cabin window

Removable side wall

Faucet requires no electricity

# The Century

*...a trailer tent for the new Millennium*

Trailer Tents

- The inner cabin wall has a ventilated mesh window for those hot summer evenings.
- The optional Deluxe sun canopy may be zipped to either the cabin or awning.
- Century has front and side walls which may be dropped onto a veranda bar or zipped out completely.
- The awning comes complete with built-in separate compartments for both a toilet and a wardrobe.
- Internal colours have been carefully co-ordinated to provide a comfortable, light environment.

# Classic

Vented rear cabin window

Under bed storage areas

## Classic Standard Features

**The Classic** is supplied with the following standard equipment:

- Removable mattress/seat covers
- Fully carpeted with built-in storage lockers and drawers
- Ventilated wardrobe/toilet compartment
- Roof linings
- Ventilated inner tents
- Underbed storage
- Reinforced mud flaps
- High mud wall
- Zip-out front panels with veranda capability
- Split kitchen worktops
- Kitchen water pump
- Fully galvanised chassis
- Ventilated inner cabin windows

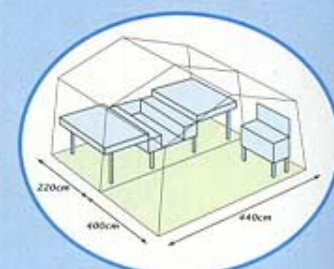

Optional porch wall gives another door

Optional porch wall

Faucet requires no electricity

# The Classic

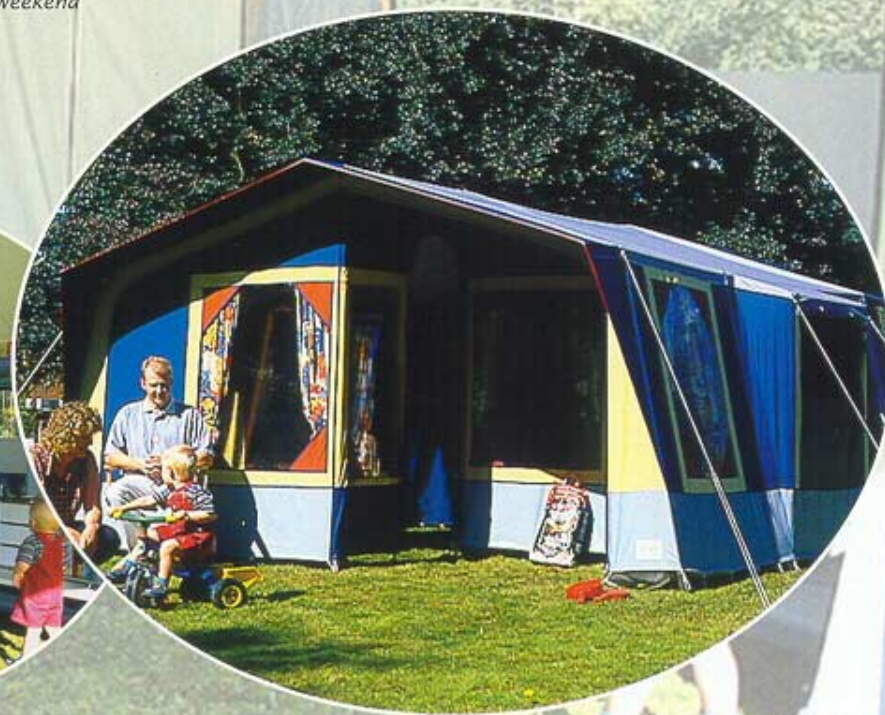

*...a trailer tent with classic form and innovative design*

Trailer Tents

- **The largest trailer tent** in the Conway range, the Classic has an impressive living area of 17.6 square metres (or almost 190 square feet).
- **The cabin wall** is fitted with stylish mesh windows to assist ventilation at night whilst preventing uninvited insects to dinner.
- **The Classic has** a side wall extension providing additional space for a kitchen and a toilet/wardrobe compartment.
- **The configuration shown** lower right has half the front wall moved back to its rear position and the optional dividing wall zipped in to give the feature of a front "porch" to store those wet wellies or coats following a downpour.
- **Both halves** of the front wall may be moved back to their rear position to provide a built in sun canopy with sidewalls for the perfect weekend set up.

# Conquest

Bedroom windows open from inside

Removable front and back walls

## Conquest Standard Features

The Conquest is supplied with the following standard equipment:

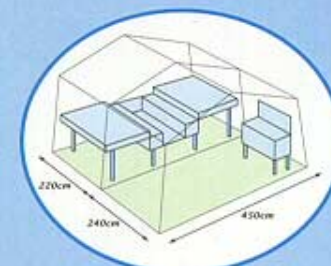

- Removable mattress/seat covers
- Fully carpeted with built-in storage lockers and drawers
- Roof linings
- Ventilated inner tents
- Underbed storage
- Reinforced mud flaps
- High mud wall
- Zip-out front panels
- Split kitchen worktops
- Fully galvanised chassis
- Ventilated inner cabin windows

Vented inner cabin window

Kitchen supplied with freshwater pump

# The Conquest

*...ideal for the family on the move*

Trailer Tents

- **The Conquest cabin** alone can be quickly erected for a weekend or overnight stop.
- **The Conquest** has an optional 1.3m front awning extension giving an extra 5.85 sq m (63 sq feet) of living space. This may be added once the main unit is fully erected.
- **The Conquest** has bedroom windows which may all be opened from the inside.
- **The kitchen** has a built-in galley pump which effortlessly feeds water to your sink from your water carrier.
- **Front panels** may be dropped down onto a veranda bar for extra ventilation or can be zipped out completely.

# Challenger

Hand operated 12V faucet

Double bed converts to settee

## Challenger Standard Features

**The Challenger** is supplied with the following standard equipment:

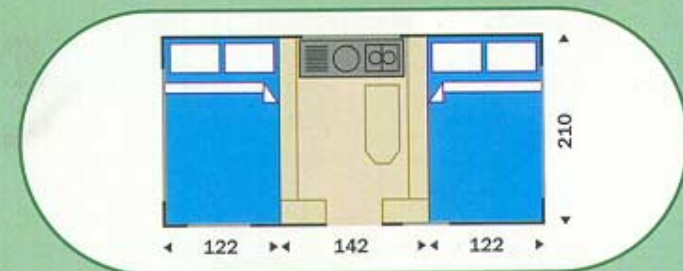

- Auto reverse brakes
- Wind-down corner steadies
- Underslung spare wheel
- 12v water system with tap
- Fully connected kitchen unit
- Table
- Fire extinguisher
- 12v socket
- Fully galvanised chassis

Easy to clean slides

Front cupboards give ample storage

# The Challenger

...designed for the smaller family

Folding Campers

- **Compact towing size** and extremely lightweight.
- **Built in settee** with a backrest you can adjust for full neck support or you can convert it into another double bed to accommodate guests.
- **Stylish side mouldings** are easy to wipe clean.
- **Optional underbed tents** may be used to give extra storage.
- **Extremely roomy cabin.**
- **Front mounted fridge carry box.**
- **Optional sun canopy** completes the unit for that extended weekend break.

# Countryman II

Cotton awning roof & optional liner

Seats double as storage lockers

## Countryman II Standard Features

The **Countryman II** is supplied with the following standard equipment:

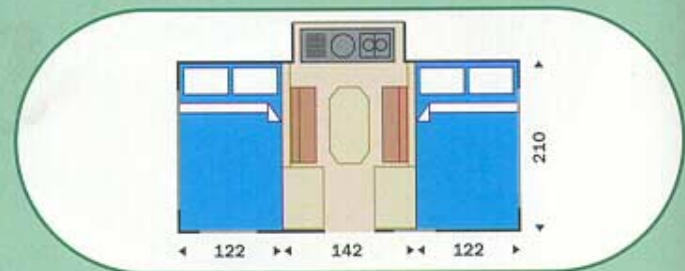

- Galvanised chassis ▪ Auto reverse brakes
- Wind-down corner steadies ▪ Underslung spare wheel
- Wheel trims ▪ 12v water system with tap
- Fully connected kitchen unit ▪ Dinette seating ▪ Table
- Fire extinguisher ▪ Internal 12v halogen light
- Internal 12v system with sockets ▪ Built-in fridge

12V halogen kitchen spotlight

Standard kitchen side shelf

# The Countryman II

...all the comforts of home in a compact trailer

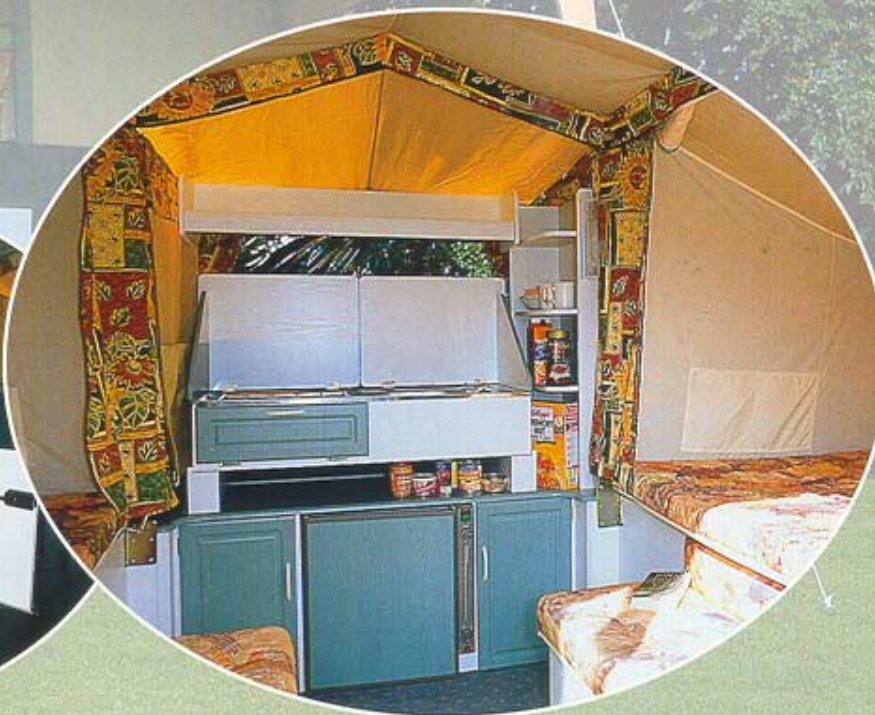

Folding Campers

- **Built in fridge** that works on either gas, 12volt or mains
- **Stylish front moulding** for gas bottle storage.
- **Comfortable** internal seating.
- **Fresh modern interior** colour scheme.
- **Underbed tents or side skirts** may be fitted to provide further bedrooms or extra storage as required.

- **Has a host of features** only associated with larger folding campers and yet is only 5 feet wide so is easy to tow, handle and store.
- **Supplied as standard** with a useful side shelf for all your kitchen bits with the added advantage that there is a powerful light.
- **The new 'smooth line' sides** enable you to easily wipe clean the trailer.

# Cruiser

Cotton awning roof & optional interior lighting

Cabin wall provides extra ventilation

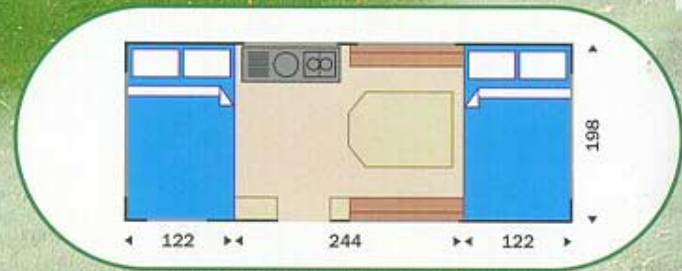

Kitchen unit hinges easily into position

Beds slide within tracks

Bedroom window guy points

## Cruiser Standard Features

**The Cruiser** is supplied with the following standard equipment:

- Fully sprung mattresses • Galvanised full perimeter chassis
- Auto reverse brakes • Wind-down corner steadies
- Underslung spare wheel • Wheel trims • Generous 6'4" beds
- 12v water system with tap • Fully connected kitchen unit with side shelf
- Dinette seating • Internal opening bedroom ventilation
- Wardrobe • Fire extinguisher • 2 x 12v sockets
- Mains electrics with 2 sockets • Roll up face wall • Built-in fridge
- 'Smooth line' sides • Both full and occasional tables

# The Cruiser

...plain sailing with the quickest & easiest to erect camper today

World-beating 'Connaumatic' Opening System means that sliding open the beds simultaneously erects the unit for you within minutes.

- **Front moulding** which is capable of housing 2 x 7 kg gas bottles; reducing the number of bottle changes during a holiday.
- **A unique kitchen** which pivots easily into place and remains fully connected for gas and water.
- **Fitted fridge** that runs on gas, 12v or mains.
- **A rear cupboard door** cleverly hinges into position to become a handy occasional table if the main table (supplied as standard) is being used in the awning.
- **The Cruiser** comes fitted with 'Triple Electrics'. This means that you can use the pre-wired 12v system (using an auxiliary battery) or, you can use mains electrics (if available on site). If you are using the latter then your battery will automatically be topped up from the system's built in charging facility.
- **The Cruiser** comes with a built in battery box with external access for easy battery removal and replacement.
- **Optional built-in** hot water and 'Truma' blown air heating system.

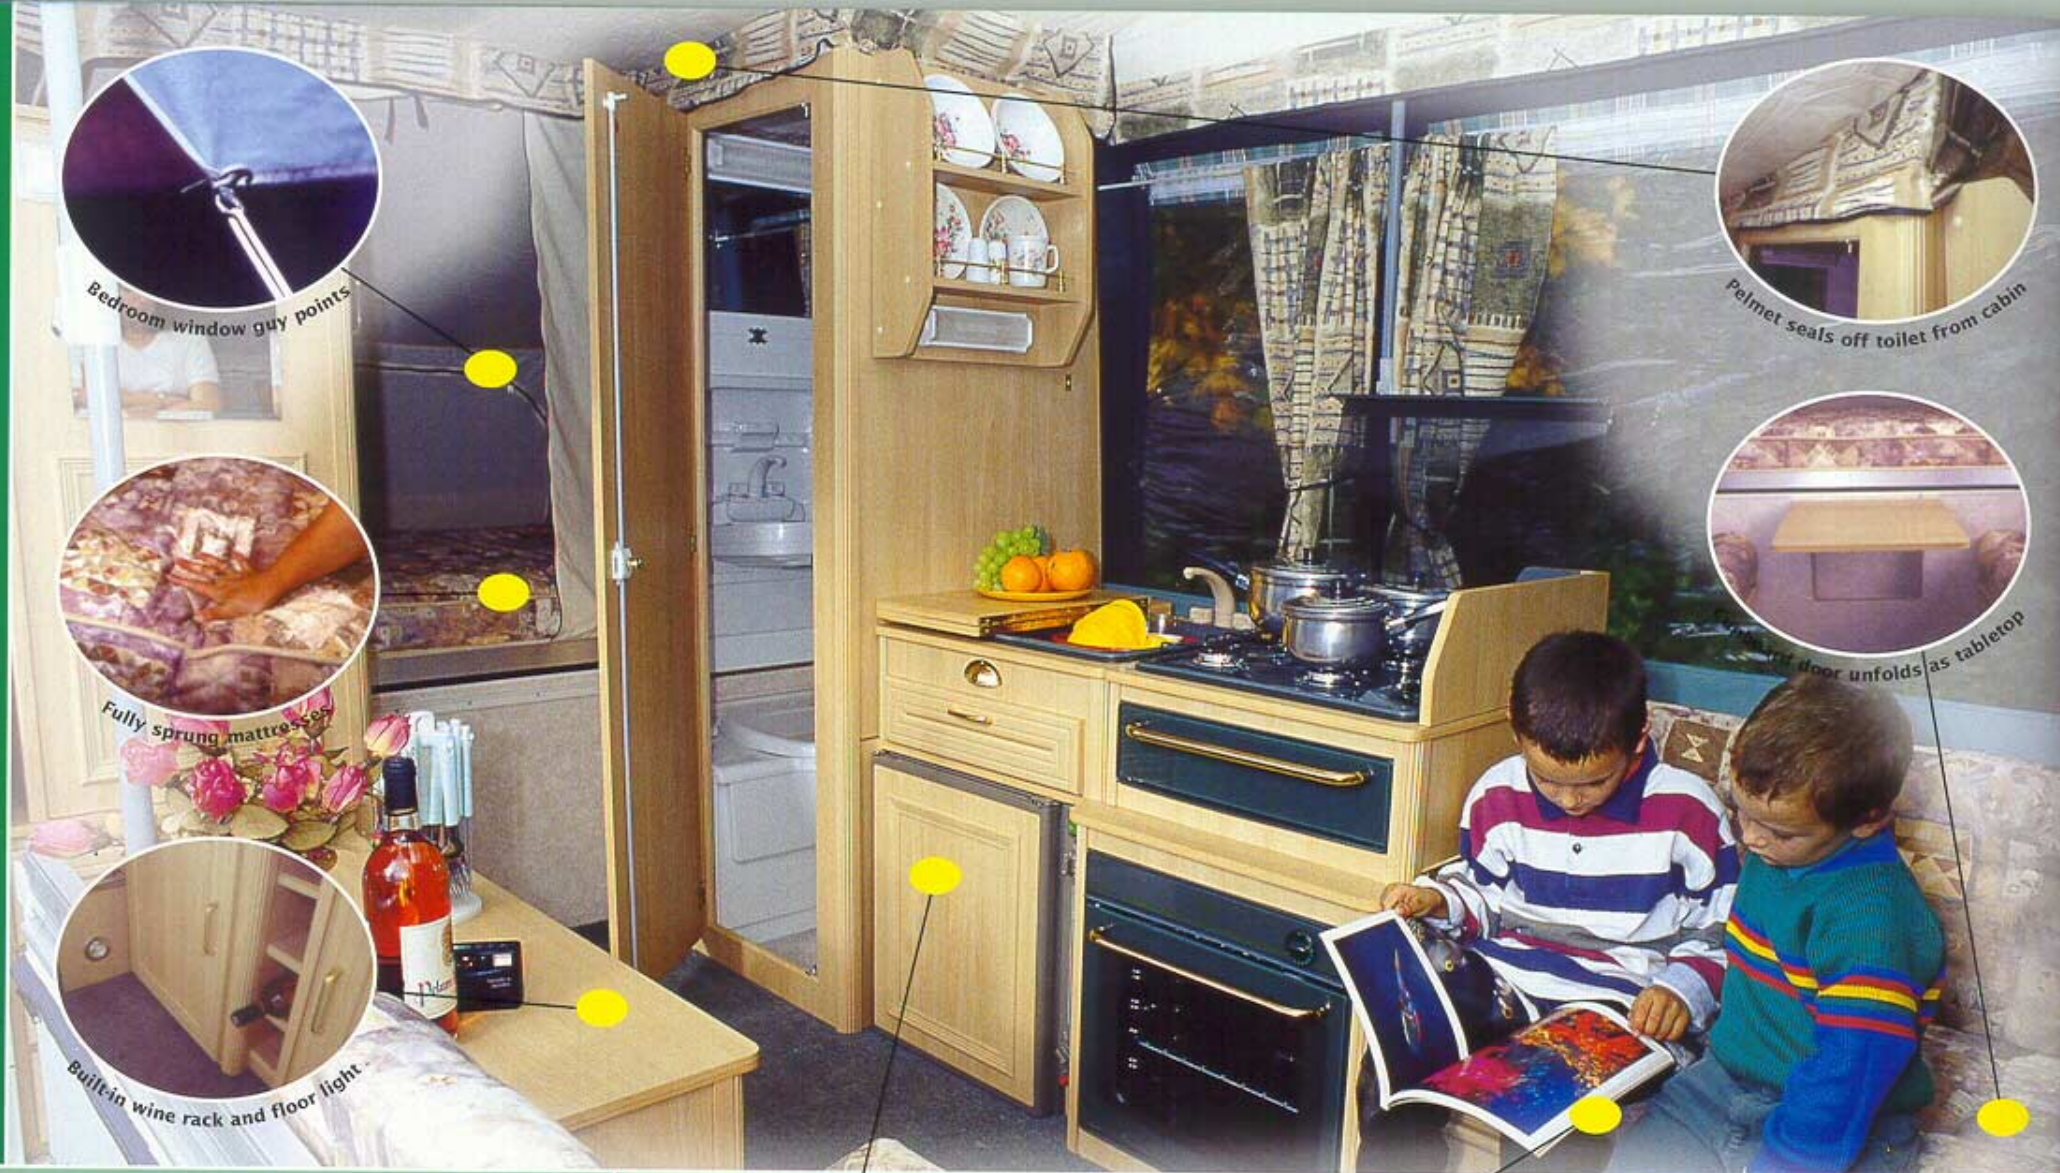

Folding Campers

# Crusader

Bedroom window guy points

Fully sprung mattresses

Built-in wine rack and floor light

Pelmet seals off toilet from cabin

Dinette door unfolds as tabletop

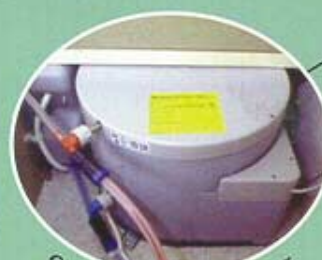

## Crusader Standard Features

**The Crusader** is supplied with the following standard equipment:

- Fully sprung mattresses • Galvanised full perimeter chassis
- Auto reverse brakes • Wind-down corner steadies
- Underslung spare wheel • Wheel trims • Generous 6'4" beds
- 12v water system with tap • Fully connected kitchen unit
- Dinette seating • Internal opening bedroom ventilation • Wardrobe
- Fire extinguisher • 2 x 12v sockets • Built-in mains with 2 sockets
- Roll up face wall • 'Smooth line' sides
- Gas or mains powered hot water system • 4 burner gas hob
- Built-in fridge • Connaumatic Opening System

Fridge utilises Gas, 12V or mains

Gas or mains water heater

# The Crusader

...all the comforts of home

Folding Campers

World-beating 'Connaumatic' Opening System means that sliding open the beds simultaneously erects the unit for you within minutes.

- **The fridge and toilet compartments** have been carefully designed to vent to the exterior of the unit and not into your awning space.
- **Four burner hob** with smoked glass protector lid, which hinges easily into its storage position. Oven has a thermostat.
- **The enamelled sink** is colour co-ordinated to the cooker just like home.
- **The toilet compartment** has a wash hand basin, which can be easily removed for cleaning.
- **As with the Cruiser and Clubman**, 'Triple Electrics' are fitted as standard along with the battery box.
- **A wall shelf** is supplied as standard with built in lighting capable of illuminating the whole cabin.
- **The Crusader** has floor floodlights for night use.
- **A rear cupboard door** cleverly hinges into position to become a handy occasional table if the main table (supplied as standard) is being used in the awning.
- **The Crusader** has a wine rack for that 'holiday tippie'.
- **Optional built-in 'Truma' blown air heating.**

# Clubman

## Clubman Standard Features

**The Clubman** is supplied with the following standard equipment:

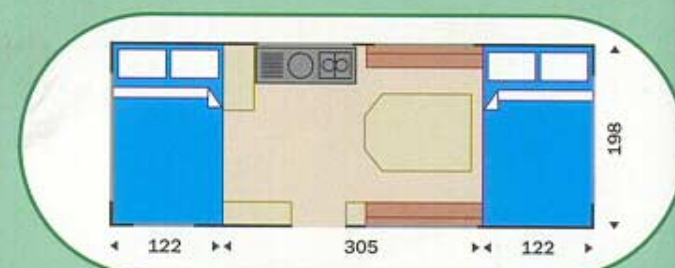

- Fully sprung mattresses
- Galvanised full perimeter chassis
- Auto reverse brakes
- Wind-down corner steadies
- Underslung spare wheel
- Wheel trims
- 12v water system with tap
- Fully connected kitchen unit
- Dinette seating
- Internal opening bedroom ventilation
- Wardrobe
- Fire extinguisher
- 2 x 12v sockets
- Built-in mains with 2 sockets
- 'Smooth line' sides
- Floor lighting
- Easy-fit roof shelf
- Steel underseat safe
- 4-burner hob
- Built-in fridge
- Gas or mains powered hot water system

Hi-tech power management system

Hidden built-in lockable safe

# The Clubman

...the ultimate in folding campers

Folding Campers

- **The Clubman** has a hard roof, which can be locked down for security and is elevated by simply winding a handle.
- **Four burner hob** with smoked glass protector lid, which hinges easily into its storage position.
- **The enamelled sink** is colour co-ordinated to the cooker just like home. Oven has a thermostat.
- **The toilet compartment** has a wash hand basin, which can be easily removed for cleaning.
- **As with the Cruiser and Crusader** 'Triple Electrics' are fitted as standard along with the battery box.
- **A rear cupboard door** cleverly hinges into position to become a handy occasional table if the main table (supplied as standard) is being used in the awning.
- **The Clubman** now has a wine rack for that 'holiday tippie'.
- **Built in** security box.
- **A roof shelf** is supplied as standard.
- **Optional built-in** blown air heating.
- **Fully sprung** mattresses.

# Specifications for Trailer Tents

**Please note:** All Conway trailer tents (except Voyager) are plated showing a maximum gross weight. This can be increased or decreased by Conway on request, to suit the towing vehicle. Maximum gross weight can be up to 500kg unbraked, 600kg braked. **If in doubt, please consult your dealer.**
