## ***The freedom of camping - the luxury of a caravan***

Welcome to Pennine, Britain's leading name in folding campers.

Imagine an outdoor holiday - one the whole family can enjoy - but with none of the problems of towing a

caravan, or the hassle of pegging out a tent.

That's a holiday with a Pennine Folding Camper.

**Your Pennine Folding Camper - folded with transit cover removed and corner jacks wound down**

**Unfold the first bed**

**Unfold the second bed**

**The canvas is now covering the camper**

**Secure the canvas side walls with velcro and elasticated cord. Your camper is now weather proof and ready to use**

**Electrolux 3 way refrigerator is standard in the Pullman and Fiesta**

**Seat lockers provide ample storage**

**Safety first with Pennine. This fire extinguisher is fitted as standard equipment in the Pullman and Fiesta**

**All models benefit from a large cutlery drawer (Fiesta shown)**

## Camping was never like this

Pennine Folding Campers are erected quickly and without fuss, so you can enjoy the best of both worlds - the freedom and mobility of canvas, and the comfort, luxury and levels of equipment normally only found in an expensive caravan.

Travelling with a Pennine Folding Camper is safe and easy and you also benefit from clear rear viewing and much better fuel economy compared with caravan towing.

Pennine Folding Campers are manufactured to a very high standard right here in the UK. There are four superb models to choose from in the range - from the compact two berth Aztec to the spacious and luxurious six berth Pullman 535.

Each camper has a beautifully designed kitchen area incorporating a stainless steel sink and drainer, double burner and grill.

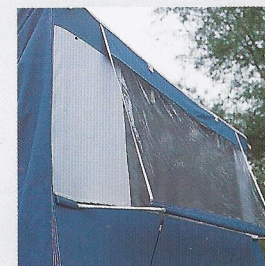

Pennine place great emphasis on safety, and this is evident throughout each camper. All kitchen units are fitted with a flame failure device, and a fire extinguisher is fitted as standard in the Pullman and Fiesta models.

Pennine have introduced a new and improved ventilation system on all their models.

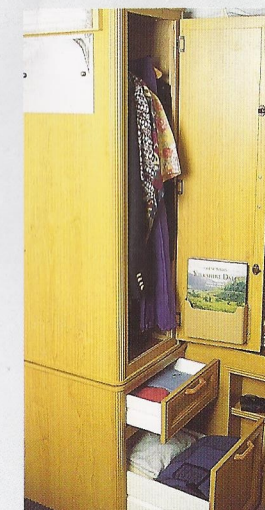

The 'Penn-Vent' system allows both bedroom and kitchen windows to be unzipped from the inside to provide extra ventilation whilst giving total protection from inclement weather.

**Gas bottles are neatly stored inside the front panel of the camper (Fiesta shown)**

**The unique Penn-vent system**

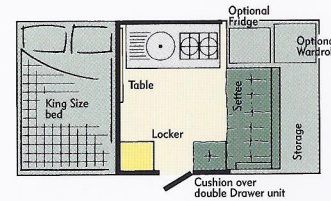

**Wardrobe with light and mirror, handy door pocket, and deep double drawer storage are all standard in the Pullman**

## The Aztec

The Aztec is a luxurious two berth camper which offers exceptional value for money. Ideal for anyone wanting a small trailer for towing, it provides all the essential features of a larger luxury camper.

The camper comes complete with a fully fitted, hardwearing, twist-pile carpet and removable door mat. The interior fabrics are tastefully co-ordinated and complimented by the Elder wood grain furniture.

The spring assisted swing down cooker is effortless to position, and incorporates a stainless steel sink and drainer, together with double burners and grill, all with flame failure device.

The Aztec offers surprisingly spacious accommodation and a high level of comfort. Optional underbed tents and skirts, zip-on sun canopy and awning complete the outfit. For other optional extras turn to page 15.

## The Fiesta

The Fiesta is a superbly crafted four berth camper that offers you all the extras at no extra cost.

When viewed folded down and ready for the road, the Fiesta is a stylish and modern looking camper. The wrap around one piece front moulding with integral gas bottle storage cannot help but draw admiring glances.

The roomy interior is comfortable for living and dining. The twin drawer unit and large cupboards provide plenty of storage space. There is even room to store a porta-potti,

very convenient for young families.

The Fiesta has an electric water pump and 3 way refrigerator fitted as standard, together with a caravan style kitchen unit incorporating double burner and grill, stainless steel bowl and drainer. Two interior 12v sockets and fire extinguisher are also standard equipment, all in a camper that can be erected in under 5 minutes!

Silver Ash wood furniture is complimented by Pennine's choice of light co-ordinating fabrics.

An optional awning offers extra space if required.

## The Sterling

The Sterling six berth camper conveys the quality and value inherent in its name and provides genuine Pennine quality at a remarkably low price.

Inside, the Sterling is both spacious and luxurious, with a list of standard equipment that belies its budget price tag.

This camper is ideal for the larger family, sleeping six comfortably through the added advantage of a third double bed - achieved

by folding down the seats and large table. The optional awning provides even more space and flexibility.

Like all Pennine Campers, the Sterling comes equipped with a modern kitchen unit with double burner and grill, all with flame failure device, stainless steel bowl and drainer.

The Sterling is a folding camper that will accommodate both your family and your pocket.

## The Pullman 535

The six berth Pullman represents the ultimate in Folding Campers. It offers a level of comfort and luxury that would normally only be found in a caravan.

The exterior appearance of the camper has been totally transformed by the stylish front and rear mouldings, and the improved bed support system has simplified erection.

Beautiful furnishing fabrics and stunning interior decor have been carefully co-ordinated to give a pleasing caravan style appearance. Whether dining or lounging, the Pullman's

interior has been designed to give maximum comfort and ample off the ground sleeping for six people.

Split kitchen unit tops with Formica work surfaces, combine with a double burner with simmer taps and grill, all with flame failure device, a stainless steel bowl and drainer, electric water pump and a 3 way refrigerator, all of which make food preparation and day to day living remarkably easy. An interior light, wardrobe with mirror, a fire extinguisher, two drawer storage unit, and considerable cupboard space put the Pullman in a class of its own.
